Our school has qualified for the Community Eligibility Provision (CEP). This is a 4 year program with the first being a trial year that offers ALL STUDENTS FREE BREAKFAST and LUNCH.

These first two weeks we will offer breakfast to the students when they arrive and a bag lunch for when they depart. We will have two pick up locations in the school for easy, safe access to the meals. When school begins the four /one remote schedule we will offer the students breakfast and lunch to go on Tuesday for them to enjoy on Wednesday.

We will work with strict Covid19 regulations and guidelines to ensure everyone's safety.

Menu subject to change This institution is an equal opportunity provider

PB & J's will be available everyday. Pizza, Baked Chicken Sandwiches, Sandwich Wraps or Grinders and chef salads will be available everyday, when we begin the 4/1 remote schedule.
