Reminder

In order for your child to play in the snow, please send them prepared with boots, snow pants, jackets, hats and gloves. Additionally, PE classes are still being held outside whenever possible. Boots and other winter clothing in those cases are very important. If you need assistance accessing winter clothing please contact Lia at the main office.

From the Nurse's office

We would like to remind you if you choose to not follow state guidelines regarding social gatherings, travel or self-select quarantine for any reason, your child will be marked absent as they will not physically present for in person learning. Maintenance of learning school work can be provided to the students in these situations. In order to return to school following quarantine, you should plan for your child to have a COVID-19 PCR test after 7 days and report negative results to the school before returning or quarantine for 14 days.
