

Sparta Area School District

Article 418 - Field Trips Not Related to School Curricula

Field trips that are related to the curricula may be allowed and may be taken during school time (instructional time) upon approval by the administration. Trips not linked to the curriculum will not be allowed during the school day, and will not be allowed to use budgeted district money and must be funded totally by the participants. In the event that a participant decides not to attend a field trip, a refund for cancellation will be given according to the vendor's cancellation policy. Refunds for cancellation are not guaranteed.
