Sparta Area School District

Article 503 - Promotion and Retention

The philosophy of the Sparta Area School District is for all students to achieve optimal learning based on high expectations and considerations of their abilities and needs. The Board recognizes that students have diverse capabilities and interests and individual patterns of growth and learning. Therefore, the Board believes that it is important that teachers have as much accurate knowledge of each student as is possible through factors and sources such as tests, observations, academic achievement, skills, portfolios, and communication with parents and guardians.
