

Sparta Area School District

Article 616 – Community Options

Adult residents of the Sparta Area School District may elect to enroll in a high school course with consent of the administration and the Board of Education. Consideration will be given to class size and course prerequisites. Applicants will not be allowed to compete in athletics, other extracurricular activities, and course related competitions.

Residents of the Sparta Area School District have a right to participate in activities and classes that are funded through the Community Service Levy, Fund 80.
