Sparta Area School District

Article 621 – Kiwanis Club of Sparta

The Sparta Area School District shares with the Kiwanis Club of Sparta a common mission to serve the children in our community.

The Board of Education appreciates and welcomes the involvement of the Kiwanis Club in promoting the education, welfare, and citizenship of the students of the Sparta Area School District. The Kiwanis Club’s positive impact is evident in the Club’s student recognition programs and scholarships, the sponsorship of the High School Key Club, and the use of Kiwanis meetings as forums for educational programs.

The District and Kiwanis Club own adjoining forest land. The Board directs the administration to work cooperatively with the Kiwanis Club in the development of mutually beneficial improvements to the forest properties within the guidelines of District policy and procedure.
