Grande Ball

Dear Friends,

We are pleased to invite you to Thomas Edison State University Foundation's 28th Annual Grande Ball. This special evening of purpose celebrates the University's mission to provide adult students with high-quality, flexible collegiate learning opportunities. The event also provides an opportunity for us to thank and recognize our individual and corporate partners who share in our belief that education is a powerful tool that enhances our lives and our work.

Please join us on Saturday, October 26, 2019 at Jasna Polana as we recognize two extraordinary leaders from PSEG who fully embrace the power of education. The University is honored to present the following awards:

Dr. Ralph Izzo

Chairman, President and CEO
PSEG
Community Leader Award

Mr. Jeffrey Stokes '15

Senior Director Power Generation
PSEG
Distinguished Alumnus Award

The Gala Committee invites you to contribute to the success of the event by becoming a sponsor, purchasing an ad, or attending as a guest. Your philanthropic support is a catalyst for growth and innovation at the University. The funds raised from this event increase our ability to invest in new opportunities for the students we serve as we strive to offer the most relevant, flexible and affordable programs available for adult learners.
