School Accountability Report Card Reported Using Data from the 2018—19 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Welcome to Mountain View School. Mountain View is a proud representative of the Goleta Union School District, a District on the leading edge of public education. Our District's goal is to maximize academic, intellectual and personal growth, and at Mountain View, we make this happen on a daily basis. We are a thriving school, committed to continuous improvement for all students.

At Mountain View, we believe in the challenge and reward of high-quality learning. We offer enrichment in music, art, STEAM, physical education, and academics. We have robust after-school opportunities, highly-attended PTA events, and evening school events that bring our community together.

We recognize that education at Mountain View must be relevant, inspiring, and forward-thinking. As a team, we dedicate ourselves to process of continuous learning. It's what we want from students, and we also expect this of ourselves. We are clear about our expectations and with the talented staff and engaged community we have, we know that the sky is the limit for us at Mountain View School.

School Description and Mission Statement (School Year 2019—20)

Mountain View School is one of the nine elementary schools of the Goleta Union School District. The Goleta Union School District (GUSD) serves the Goleta Valley, a suburban community of 80,000 people that includes the City of Goleta and a large unincorporated area. The area is known for its cultural, academic, and recreational opportunities, as well as its mild climate.

The District offers a stimulating and challenging instructional program and school environment with a capable and articulate professional staff. Many teachers, classified employees, and administrators have enjoyed long careers with GUSD. The staff is skilled at working to develop individual student potential by providing basic skills and problem solving strategies. Every GUSD school offers programs in music, art, and physical education.

The Board of Trustees has defined the strategic direction for the District and the schools through a comprehensive Strategic Plan and Local Accountability Plan, which are available on the District's website. The aspirations of the Goleta Union School District for each student are reflected in the following core components of the Strategic Plan:

Vision: Powerful Instruction, Purposeful Individualization, Productive Partnerships Solid Evidence of Student Success

Mission: The Mission of the Goleta Union School District is to maximize academic, intellectual, and personal growth in order for each student to prosper in, and positively influence, a diverse and dynamic world.

Shared Values and Beliefs: Success for every student; Effort, perseverance, and responsibility; Learning beyond the basics; Safe, healthy, and secure environments; Teamwork, partnership and respect; High-quality service; Best instructional practices; Equity of experience

School Facility Conditions and Planned Improvements

Overall site is in moderate condition as the facilities are beginning to show age. Asphalt recently slurry and sealed within the last six months. This site needs to be painted. Doors are showing wear and need to be replaced. Outdoor facia and roof systems need to be upgraded or replaced. Heating systems are very old and should be replaced. Playground is safe to play on, but matting needs to be replaced under the structures.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2017–18	School 2018–19	District 2017–18	District 2018–19	State 2017–18	State 2018–19
English Language Arts / Literacy (grades 3-8 and 11)	79.0%	79.0%	62.0%	65.0%	50.0%	50.0%
Mathematics (grades 3-8 and 11)	79.0%	79.0%	59.0%	60.0%	38.0%	39.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019—20)

Parents are engaged at Mountain View School, belonging to various school and District teams as well as working in classrooms as volunteers and helping with school field trips and events.

Mountain View has a strong, supportive Parent Teacher Association (PTA). The PTA is focused on supporting students and staff in academics and growth, and has a common goal of maximizing student potential.

Mountain View School is represented at the District Advisory Council (DAC). School Site Council (SSC) meetings also provide opportunities for parents to collaborate with staff in creating the best educational experience possible at Mountain View. We believe the strong partnership we have between students, families and our staff is one of the most significant factors contributing to our success at Mountain View School.

School Safety Plan (School Year 2019—20)

The following information on emergency preparedness and supervision of students is current with respect to student safety. The section on student conduct outlines the responsibilities of students for their own behavior and learning.

Security: The school posts required public signs to communicate rules prohibiting smoking, skateboarding and alcoholic beverages. Signs are also posted to inform visitors that the school grounds close at dusk. Alarm systems, fencing and lighting are periodically tested to ensure a safe environment. Each school is represented on the district Safety Committee. Monthly, concerns or issues regarding campus security are shared. The District Maintenance and Operations staff and principals all carry walkie-talkies in order to be available at all times. All are quick to respond to any concern.

Emergency Preparedness: The school updates the emergency plan annually. Periodically, a staff in-service is held for members to review his or her role in an emergency situation according to the plan. The plan is on file in the school office. Emergency preparedness drills are conducted regularly to ensure students and staff safety in the event of fire, earthquake, or other disaster. The plan focuses on the three R's of disaster preparedness: readiness, response and recovery to teach all students and staff to be prepared should any emergency occur.

Supervision of Students: Classroom teachers are responsible for maintaining a safe learning environment. Students are carefully supervised within classrooms and on the playground. Yard duty supervisors are employed at recess and lunchtime to ensure a safe environment for students. School policies regarding behavior are reviewed with students and staff regularly. Policies are sent home to parents annually. We are committed to student safety and a positive school climate.

Badge Identification System for Employees, Volunteers, and Visitors: Signs are posted on campus to advise visitors to sign in at the office. To systematically identify persons who have a legitimate presence on our campus, all employees, volunteers or visitors are required to wear a pocket or lanyard identification badge. Visitors and volunteer badges are obtainable in the school office. The staff reminds any visitor without a badge to return to the office for one in order to heighten awareness of anyone who is on the campus.
