School Description

Our mission at Isla Vista School: "Isla Vista School develops future-ready readers, writers, and mathematicians who are ALL prepared for college."

We take pride in the diverse population at our school with over 26 different home languages spoken at in our students' homes. Our teachers and support staff use baseline, benchmark, and progress monitoring data to work with students and families to set learning goals for all students. Based on students' learning goals, they will participate in rigorous core curriculum and daily intervention or extension support as appropriate. All students participate in daily language development, at their identified level of need. Additionally, our students with more intensive needs may participate in before or afterschool tutoring programs.

Teachers and staff meet regularly to review student progress based on academic progress monitoring and student performance. Modifications to a students' academic or social/emotional program are made promptly should a child demonstrate need for more intensive intervention or be ready for additional challenge. All students not making adequate academic progress are monitored on an intervention plan with SMART goals that is updated each trimester and discussed with the parents for additional input.

Isla Vista School values the whole child, offering opportunities both integrated through the curriculum, as well as through specialist instruction for multi-media, physical education, library, music, and art. Parent education classes and opportunities for participation and leadership are offered in both English and Spanish. Our current school focus is on further supporting students with strong language skills for critical thinking and academic participation, as well as developing students' social and emotional strategies to support self-regulation and positive social interaction.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Textbook sufficiency was approved at the September 23, 2020, Board meeting ensuring all students had access to appropriate textbooks and instructional materials. Goleta Union will be moving to pilot a social studies curriculum adopted by the State Board of Education within the coming years. Additionally, the Second Step social-emotional curriculum is used grades TK through sixth and SPARK Physical Education Curriculum is used in grades 1-6. Online supplemental materials include Freckle and MyOn across all school sites.

Textbooks and Instructional Materials

Year and month in which data were collected: December 2020

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption

School Facility Conditions and Planned Improvements (Most Recent Year)

This is the newest school in the district and overall is in good condition. Playground surfaces need to be addressed as the padding is worn down. The play structures have reached the end of their useful lives and will need to be replaced. Roof metal areas need to be painted. All locks should be upgraded and the fire alarm system is in the process of being replaced/upgraded. Some significant work on concrete areas will begin soon as they have started to separate and become uneven and could pose as a trip hazard. Overall, This school site is safe for students, staff, and the community and classrooms are very safe environments for learning.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: 11/2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Ants and squirrels continue to be a challenge around the site.
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	Roof structures need to be repaired/replaced soon.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Fair	Front parking and playground asphalt need maintenance. Concrete around campus needs repair for leveling.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents and extended family are welcome to volunteer to support our school community.

During the school day, parents are invited to work with their child's teacher to set up regular volunteer times to help during class or specialist classes. Parents are also encouraged to help with field trips, special events, and serve as chaperones on our upper grade camp experiences.

Before or after-school, parents are invited to volunteer in our on-site childcare programs by contacting the directors of those specific programs. Likewise, parents are welcome to come support the after-school enrichment activities by contacting the teachers of those classes directly.

We have several organizations for parents to become involved in at Isla Vista School.

Our PTA (Parent-Teacher-Association) hosts several family events, meetings, and fundraising activities such as the carnival, Parent's Night Out, PTA meetings with guest speakers, and our jog-a-thon. If you are interested in learning more about our PTA, you can contact PTA President Mario Lopez at ivptapresident@gmail.com or leave her a message at our school (805) 685-4418.

Our ELAC (English Language Advisory Committee) is a parent leadership group that meets to support parents of children learning English. Our ELAC hosts an annual event in December, called the "convivio" or potluck with shared music, food, crafts, and dancing. At our school, ELAC parents also serve as advocates for our English Language Learner families and do some fundraising to support additional enrichment classes they would like to see offered on site. If you are interested in learning more about our ELAC, please contact teacher Cecilia Melendez at our school (805) 685-4418.

Our SSC (School Site Council) is another way for parents to be involved in the leadership of our school. A combination of school staff and parents participate together to build our school plan, which includes annual school goals and budget allocations. Our SSC also monitors our safety plan and student progress. Election for SSC positions are held in September, but the meetings are open to all IV School families. If you are interested in attending a SSC meeting, please contact our school office at (805) 685-4418.

Parents are invited regularly to participate in our school events, which are advertised in our Friday Folders and on our internal communication system, Parent Square. Starting the year off right, all grades offer a meet and greet the day before school starts for children and their families to meet their new teacher and see their classroom. Parent-teacher conferences are held in November and March. Parent nights for information for special grade level experiences are held for parents to stay informed. An Open House is held annually in April to celebrate student success over the year. Student Success Team meetings, which include parents, are held when a child is not making adequate progress and everyone meets together to discuss possible supports. Parents and family are invited to celebrate for special awards during our student of the month assemblies, but also in our 100th day parade, jog-a-thon, carnival, multi-cultural fair, convio, potlucks, miracle mile run, and kindergarten/sixth grade promotions.

To support all parents to feel comfortable attending events, we arrange translation and childcare as necessary. For anyone interested in further information about volunteering at our school, please contact the office at (805) 685-4418.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The following information on emergency preparedness and supervision of students is current with respect to student safety. The section on student conduct outlines the responsibilities of students for their own behavior and learning.

Security: The school posts required public signs to communicate rules prohibiting smoking, skateboarding, and alcoholic beverages. Signs are also posted to inform visitors that the school grounds close at dusk. Alarm systems, fencing, and lighting are periodically tested to ensure a safe environment. Each school is represented on the district Safety Committee. Monthly, concerns or issues regarding campus security are shared. The District Maintenance and Operations staff and principals all carry walkie-talkies in order to be available at all times. All are quick to respond to any concerns.

Emergency Preparedness: The school updates the emergency plan annually. Periodically, a staff in-service is held for members to review his or her role in an emergency situation according to the plan. The plan is on file in the school office. Emergency preparedness drills are conducted regularly to ensure students and staff safety in the event of fire, earthquake, or other disaster. The plan focuses on the three R's of disaster preparedness: readiness, response, and recovery to teach all students and staff to be prepared should any emergency occur.

Supervision of Students: Classroom teachers are responsible for maintaining a safe learning environment. Students are carefully supervised within classrooms and on the playground. Yard duty supervisors are employed at recesses to ensure a safe environment for students. School policies regarding behavior are reviewed with students and staff regularly. Policies are sent home to parents annually. We are committed to student safety and a positive school climate.

Badge Identification System for Employees, Volunteers, and Visitors: Signs are posted on campus to advise visitors to sign in at the office. To systematically identify persons who have a legitimate presence on our campus, all employees, volunteers, or visitors are required to wear a pocket or lanyard identification badge. Visitor and volunteer badges are obtainable in the school office. The staff reminds any visitor without a badge to return to the office for one in order to heighten awareness of anyone who is on the campus.

District wide, safety measures that take into account COVID-19 are also in place.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0	0.0	
Expulsions	0.0	0.0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	5	5

Goleta Union School District annually provides four full days and two half-days of in-service to certificated staff. Professional development is also conducted during staff meetings, and district-wide after-school meetings or release time throughout the year. Teachers are afforded common collaboration time to work in Professional Learning Communities as well as opportunities to attend professional conferences and workshops. Classified staff members meet for training specific to their positions several times during the year. Our Curriculum Council and related subcommittees provide formal structures as on-going steering committees.

The focus of professional development is selected to support the district's LCAP goals and the implementation of core curriculum. For the 2019-2020 school year, district professional development was concentrated on implementing core instruction in science, including understanding the resources available through the new science adoption. The district also built capacity in staff around professional learning communities. Included in this work was increasing the use and analysis of benchmark summative and common formative assessments. Additionally, the professional learning teams worked collaboratively to improve site-based systems for monitoring and responding to student progress. During the 2020-2021 school year, these same goals have continued to be a focus. Staff has also attended to best practices and student engagement during remote instruction. During the 2020-2021 school year, staff also participated in workshops to address anti-racism and begin conversations to support social justice in our school communities. Principals support their teacher teams with implementation of best practices through feedback after observations, conversation and consultation during grade level team meetings, and during staff meetings focused on staff development. Teachers on special assignment and district committee representatives also provide support through consultation and resources.

Types of Services Funded

In addition to personnel costs for teachers, support staff, classified staff, and administrators, the District budget funds the purchase of instructional supplies, office supplies, transportation, and equipment. Categorical funds provide consulting employees, instructional assistants, instructional supplies, and translations of school newsletters and meetings.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
