Narrative description of the Prop 28 arts education program funded

GUSD established a pilot program where permanent positions were established for the 2023-24 school year, Content Specialists - Art, to provide art curriculum to all grade levels of GUSD students at all nine elementary schools. GUSD has not had permanent positions dedicated to art instruction, and with the funding provided by Proposition 28, the new positions are permanent and therefore guarantee art instruction for GUSD students along with a stable art curriculum.
