The Board of Education and the employees of the District cannot assume responsibility for the medical treatment of students.

Students who become ill or are injured at school will be given first-aid. Whenever possible, parents will be notified by phone and instructions will be requested. When the parent has no telephone or cannot be reached, the ill or injured child shall be transported home, to the hospital, or to a doctor's office by a member of the school staff.

In case of an emergency, the pupil shall be transported to a hospital or a doctor's office by ambulance or other convenient types of transportation. If possible, the family physician listed on the office records shall be contacted.
