Programs and facilities of the Pleasant Valley Community School District, when considered in their entirety, shall be accessible to handicapped students.

No handicapped student shall be denied benefit of district programs and services, be excluded from participation in district programs and services, or otherwise be subjected to discrimination because of district facilities which are inaccessible or unusable by handicapped persons.

The District will identify, evaluate and provide an appropriate public education to students who are handicapped within the meaning of Section 504 of the Rehabilitation Act of 1973.
