Series 900

Policy Title  Crisis Management and Response Plan
Code             No. 902.8

The District will develop a Crisis Management and Response Plan in collaboration with local emergency responders (police, fire, etc.). The plan will include the following components:

- Prevention
- Mitigation
- Response
- Recovery

A district Safety Committee will be established and given the responsibility of reviewing the plan annually. The results of the review will be reported to the Superintendent with recommendations for revision and improvement. Copies of the plan will be kept in each building.

The plan will be included in the District’s Comprehensive School Improvement Plan (CSIP) and will serve as a guideline for crisis prevention, management, intervention, and recovery.
