Successful education programs require the support of the school district community. It shall be the policy of the Board of Directors to keep the community informed of the objectives, achievements, needs, and conditions of the school system. The Superintendent shall be responsible for initiating and administering a continuous program of communication within the community.

In striving to obtain the support of the school district community, the superintendent will:
- Provide access to school district records;
- Inform the school district community of the school district’s goals, objectives, achievements, and needs;
- Invite the input of the school district community; and,
- Encourage cooperation between the school district and the school district community.
