Policy Title  Use of Bulk Mailing Privilege     Code No.  1004.9

The Pleasant Valley Community School District recognizes the need to keep the community informed. To assist with that objective designated groups may use the district’s bulk mailing privilege.

Only organizations, or groups supporting the overall goals of the district (e.g. P.T.A.; booster clubs; educational foundation) shall be considered for this privilege. It shall be up to the discretion of the Superintendent to determine which groups support the overall goals of the district.

The Superintendent shall not issue the use of the bulk mailing privileges to political action committees registered by the county auditor whose purpose and organization is the support or opposition of school board candidates, issues, or referendums.

District charge-back of the cost may be considered in order to recover the cost of the bulk mailing incurred by the district.
