COMMUNICATIONS: President Witters welcomed everyone, and read the vision of the district: It is the vision of the Pleasant Valley Community School District that we shall provide the finest academic and extra-curricular programs in the state – not in some things, but in everything; not for some students, but for every student.

Harris Elias, 4080 Boston Drive, Bettendorf, addressed the board regarding a bus safety concern, specifically the number of junior high children who can safely ride in a bus seat. Mr. Elias has requested that only two junior high students be assigned per seat. The current district guidelines are to assign 3 elementary students per seat, 2.5 junior high students per seat, and 2 high school students per seat. The administration and board will seek further guidance from the state.

Director Cournoyer shared that she has received positive feedback regarding the on-line scheduling of high school conferences. She also congratulated the 20 PVHS girls who participated in Iowa Girls Code day Saturday, September 24. The goal of Iowa Girls Code is to educate young Iowa women about careers in Computer Science and give them the skills to start coding on their own.

Mr. Strusz reminded the board that the Student Hunger Drive will kick off next week. PVHS junior Keshav Wagle has been selected to serve as a student ambassador during the campaign.

Dr. Spelhaug thanked Mr. Zimmer, Ms. Cinadr, the high school custodial staff and coaches for their prompt and thorough attention to player education and locker room sanitation following a freshman football player’s diagnosis of a skin infection.

Mike Zimmer, PVHS principal, introduced the following seniors who were recently honored as National Merit Scholarship Semifinalists in the 61st annual National Merit Scholarship Program:

Catherine Byrne, daughter of Daniel and Margaret Byrne of Bettendorf; Hannah Humes, daughter of Timothy and Kerry Humes of Bettendorf; Samuel Lederman, son of Joshua and Gillian Lederman of Bettendorf; Patrick McMonagle, son of Robert and Denise McMonagle of Davenport; Mathew Nelson; son of Todd and Mary Ann Nelson of Bettendorf; Margarita Rasgado Lopez; daughter of Jesus Rasgado
Lopez and Maria Margaita Lopez Fernandez of Bettendorf; Isaac Sears, son of Stephen and Beatrice Sears of Davenport; and Emily Suen, daughter of Benjamin Suen and Jennifer Chui of Bettendorf.

There was a total of ten National Merit Semi-finalists in all of the MAC conference schools; PV had eight of the ten.

1.6 million high school juniors take the PSAT test, the initial National Merit Scholar screening tool, and less than 1% of those students are recognized as National Merit Semifinalists. To become a Finalist, a Semifinalist must have an outstanding academic record throughout the high school years, be endorsed and recommended by the school principal, write an essay, and earn SAT scores that confirm the student’s earlier qualifying test performance. Merit Scholar designees are selected on the basis of their skills, accomplishments, and potential for success in rigorous college studies, without regard to gender, race, ethnic origin, or religious preference. The district offers its highest congratulations to these students.

**TEACHER LEADERSHIP UPDATE:** Kevin Pennekamp, coordinator of the Teacher Leadership System, was present to update the board on the progress of the initiative, which is in its second year. Iowa is a leader in the TLS model, provides partial funding for this program, and has established goals of attracting and retaining new teachers by offering competitive starting salaries and offering short-term and long-term professional development and leadership opportunities, retaining teachers by providing enhanced career opportunities, providing collaboration opportunities, reward professional growth, all while improving student achievement. PVCS has expanded those goals to include providing the structure for collaborative mentoring opportunities in the areas of school culture, curriculum,
instruction, and assessment. Teacher leaders will ease the transition into the district by providing opportunities in collaborative planning, coaching, co-teaching, and non-evaluative feedback, while building leadership capacity and enhancing the practice of teaching to improve student learning. Short term and long term indicators are evaluated via survey, reflection, and observation. To maximize benefit to teachers and students, the TLS will continue to adjust processes and procedures based upon experience and recommendations.

No required motion.

**TIF DISCUSSION:** Dr. Spelhaug briefed the board on potential Tax Increment Financing developments in the district. The City of Riverdale is considering creating a TIF district for development of the Welch property, a 150 acre parcel which extends up the hill from State Street to the farm fields west of Manor Drive and east of Deerbrook. The district does not support further expansion of residential Tax Increment Financing because property tax dollars are diverted from the school district and from the county in order to fund infrastructure improvements. The district believes free market forces will facilitate such housing development.

No required motion.

**BRIDGEVIEW CHANGE ORDER #3:** Change order #3 is an add of $28,073.38 and consists of five components:

- Add $17,549.38. Replacement of old areas of crumbling concrete; not included in initial bid.
- Add $1,150.00. Soffit installation to accommodate existing piping.
- Add $1,639.90. Concrete patching on driveway.
- Add $6,144.45. Required ductwork omitted from original plan in error.
- Add $1,589.65. Fire marshal requirement.

The contract is now $3,438.68 over the original budgeted amount, but reimbursement by the City of LeClaire for detention pond work will eliminate that overage.
