2016-17 CERTIFIED BUDGET AMENDMENT PRESENTATION AND PUBLIC HEARING: Mr. Clingingsmith reviewed the proposed budget amendment for 2016-17 and requested approval to amend the current 2016-17 budget as presented. This routine procedure amends the budget to reflect spending of miscellaneous income received during the year, which was not included in the original certified budget for the year, and reflects spending in all districts fund balances to a zero balance at the end of the fiscal year. The amended budget reflects the maximum expenditures the district could incur and pay during the fiscal year. This practice is only a safety procedure to make sure the district does not violate state law. It does not reflect a plan to spend the additional money.

The public hearing convened at 5:46 p.m. Hearing no comments, the public hearing concluded at 5:47 p.m.

MONTHLY FINANCIAL STATEMENTS: Mr. Clingingsmith presented the monthly financial reports for March 2017. Through March, General Fund revenue totaled $31,565,024 and expenses totaled $29,408,606. The fund balance in the General Fund at March 31, 2017 was $7,884,948. Also presented were Management, PPEL, Capital Projects, Debt Service, Nutrition, Internal Service, and Activity Funds reports. No significant variances from projections were noted.

CHANGE ORDER #2, MAINTENANCE CENTER: Maintenance Center addition and remodel project Change order #2 is an add of $7,900.72:

- $6,740 to replace solid plate windows with those that can be opened. This additional cost will be shared by the district and the architect.
- $347.82 to replace a portion of the ceiling where the new treatment met old materials in the hallway.
- $812.90 to add vinyl commercial tile in two areas originally budgeted to be uncovered concrete.

Motion by Hoskins, second by Cournoyer that the board approve change order #2 for the maintenance center addition and remodeling project in the amount of an add of $7,900.72. Roll call vote. Ayes - Wagle, Anderson, Isbell, Witters, Hoskins, Cournoyer. Nays – none. Motion carried.
2018-19 CALENDAR PRELIMINARY DISCUSSION: As initial drafts of the 2018-19 and beyond academic calendars are being considered, Dr. Spelhaug shared with the board challenges created by the state’s prohibiting school start dates prior to August 23. In order to facilitate an element of flexibility in designing future calendars, the schedule for graduating seniors is under review. State law requires graduating seniors be scheduled for 175 days (of 180) or 1,050 hours (of 1,080) of instruction (seniors are exempted from the impact of school cancellations for bad weather). Though the district calendar is based on hours for purposes of meeting state requirements, the days measurement has been in place for graduating seniors. Starting with the 2018-19 calendar, an hours measurement for seniors may be beneficial to create beneficial graduation dates and calendars responsive to learning needs of K-11 students. However, the hours measurement would allow seniors eight fewer school days at year-end instead five. Seniors would still be well over the number of hours of instruction required. The board discussed how the calendar might be constructed in order to maximize student contact days for graduating seniors.

Also discussed was the effect of the calendar on Advanced Placement coursework, the scheduling of holiday breaks, calendar structure during years when August 23 falls on Friday, Saturday, or Sunday, and continuing school into June.

No required motion.
