Prairie Farms was the lowest overall bid by $14,000.00. Prairie Farms has provided good products and services in the past. It is recommended Prairie Farms be awarded the Milk Bid for the 2017-18 school year.

**Pizza Bid:** Invitations for pizza bids were mailed on April 10, 2017 and opened on April 26, 2017. Little Caesar’s, Domino’s, Marco’s and Papa John’s submitted bids with the lowest bid of $6.00 per pizza. As stated in the bid request, the district may choose not to use delivery pizza at all or
may use more than one vendor for the 2017-18 school year. It is recommended Little Caesar’s, Papa John’s, Marco’s, and Domino’s be awarded the Pizza Bid for the 2017-18 school year.

**Beverage Bid:** As stated in the 2016-2017 beverage bid, we reserved the right to roll over our beverage bid with the vendor for up to five years. Based on quality and price, it is recommended we roll over our beverage bid with Pepsi for the 2017-18 school year.

**Distributor Bid:** The Eastern Iowa School Food Co-op voted to roll over the bid with our current distributor, Kohl Wholesale, for the 2017-18 school year. The co-op will be going out for bid for the 2018-2019 school year.

**CHANGE ORDER #4, CODY ELEMENTARY SCHOOL:** Change order #4 represents an add of $8,741.00 and is comprised of four different changes.

- The first is an add of $1,734.00 to cover an existing wall with gyp board. It was decided this section of wall was too roughed up to provide a satisfactory interior finish.
- The second is an add of $1,001.00 for installation of a sink for the library work room (omitted from the specifications).
- The next is an add of $3,509.00 representing a decision to replace a deteriorated door that was near where a new one had been installed as part of the plans. It was determined the amount required to rehab the door was not a good investment so a new door was installed.
- The final piece is an add of $2,497.00 to satisfy demands of the fire marshal.
Motion by Cournoyer, second by Isbell that the board approve the Cody renovation and addition change order #4 in the amount of an add of $8,741.00. Roll call vote. Ayes – Hoskins, Dickson, Cournoyer, Anderson, Isbell, Witters. Nays – none. Motion carried.

**HIGH SCHOOL ADDITION AND RENOVATION PROJECT CHANGE ORDER- AMERICAN ELECTRIC:**

The change order for American Electric is a deduct of $18,000. This deduct results in using aluminum feeders rather than copper. Most of the project remains copper. The district concurs with the architect and Bush Construction that using aluminum feeders is good value engineering. In electrical installation, a feeder is the wire that runs from the main electrical panel to the various subpanels in electrical closets around the addition.

Motion by Dickson, second by Isbell that the Board approve American Electric change order #1 in the amount of a deduct of $18,000. Roll call vote. Ayes – Hoskins, Dickson, Cournoyer, Anderson, Isbell, Witters. Nays – none. Motion carried.

**HIGH SCHOOL ADDITION AND RENOVATION PROJECT CHANGE ORDER- NEEDHAM EXCAVATING:**

The change order for Needham Excavating is an add of $13,251 and is a collection of three different actions. All are the result of the discovery of further work required after digging has begun. The vast majority of expenses are related to the cost of materials and labor required to add lineal footage of pipe.

Motion by Isbell, second by Hoskins that the Board approve Needham Excavating change order #1 in the amount of an add of $13,251. Roll call vote. Ayes – Dickson, Cournoyer, Anderson, Isbell, Witters, Hoskins. Nays – none. Motion carried.

**REVIEW OF ELEMENTARY WALK ZONES:** Dr. Spelhaug presented to the board proposed revisions to the district walk zone policy, including:

- Use of an electronic mapping application to measure distance (GMap) from the student’s home to the school, instead of relying on an odometer reading.
- Measuring distance from the student’s driveway to the school’s front door instead of to the school’s driveway entrance.
- Establishing walk zone maximum distance of 1.0 mile or less, instead of the current practice which causes 1.09 miles to be the default walk zone limit.
- Phase-in of the *Preponderance Rule:* If the majority of homes in a neighborhood, not just those with elementary children, are over 1.0 miles from the school, that neighborhood will be bussed.
- Neighborhoods/courts will not be split.

Unchanged will be the option for a walk zone student to board a bus at an established stop and ride as long as excess capacity exists on that bus route. It was emphasized that this policy will be phased in so that there is not a negative economic impact on the budget.
A motion will be brought before the board at a future date.

No required motion.

**REVIEW OF PROJECTED HOUSING GROWTH:** The board reviewed a map supplied by the city of Bettendorf which shows the magnitude of potential housing growth based upon currently platted housing developments. 892 units of housing are projected to be built in Bettendorf, all falling within the Pleasant Valley Community School District, within the next five years.

This projected growth, coupled with existing housing growth in the district, may push existing elementary buildings to capacity more rapidly than previously anticipated. This may hasten the timeline for building Forest Grove Elementary School. The administration will supply additional information to the board as to a realistic timeline should a decision need to be made which accelerates the development of Forest Grove Elementary School.

No required motion.

**REVIEW OF IASB COLLECTIVE BARGAINING MEETING:** On Thursday, April 13, Dr. Spelhaug, Mr. Strusz, Mr. Clingingsmith, and Director Cournoyer attended a Collective Bargaining informational session hosted by IASB. Dr. Spelhaug summarized his impressions of the information presented:

1. Just because you can, does not mean you should.
2. Relationships matter and can/will be influenced by how we move forward in these matters.
3. We compete for teachers and we must not put ourselves at a disadvantage in attracting and retaining.
4. *Pay for performance* is difficult to implement in the educational arena.
5. Within change there is opportunity.

Mr. Strusz expressed his gratitude to the PVEA (Pleasant Valley Education Association) and district administration for their willingness to, through the Interest Based Bargaining process, approach the bargaining table honestly and openly.

Director Cournoyer noted that the presentation clarified what is permissable in the bargaining process, and noted that it will need to be determined what details belong in board policy, the handbook, and/or the employee contract.
The Board emphasized the expectation that the administration, the board, and employee groups will continue to work together with a sharp focus on making decisions which positively impact student achievement within the resources available. Relationships which have been built will be maintained.

Further guidance will be forthcoming.

No required motion.

2017-18 KINDERGARTEN ENROLLMENT UPDATE: Dr. Spelhaug reviewed with the board decisions impacting placement of 2017-18 kindergarten students. Because of overcapacity at Pleasant View and Cody/Bridgeview, an additional kindergarten class will be established at Cody Elementary. (Hopewell, Pleasant View, and Riverdale Heights house four sections each of kindergarten; Bridgeview will have two sections, and Cody will have three sections. Each kindergarten classroom accommodates 22 students) In the coming week, parents will be notified of their child's building assignment. If a child is assigned to their neighborhood elementary, an email will be received confirming that assignment. If a child is displace to another elementary building within the district, the family will receive a letter in the mail explaining the assignment. The district will transport displaced children to their assigned building, and seek to bring all kindergarteners back to their neighborhood school for first grade. (Grade 1 class size increases to 24, so building capacity at first grade exceeds kindergarten capacity.)

No required motion.

MEETING ADJOURNED: The meeting adjourned at 7:56 p.m.
