COMMUNICATIONS: President Witters welcomed everyone to the meeting and read the vision of the district: It is the vision of the Pleasant Valley Community School District that we shall provide the finest academic and extra-curricular programs in the state – not in some things, but in everything; not for some students, but for every student.

This being Director Witter’s final board meeting after eleven years of service, Director Wagle thanked her for her dedicated efforts to the children of the district, and for her leadership. All of the Board expressed concurrence with Director Wagle’s remarks.

Director Cournoyer noted that September is Mental Health Awareness month, and thanked the district for making available counseling through the Vera French Community Mental Health Center. She reminded the Board that the annual Vera French Gala will be held Saturday, October 28. She also shared with the Board the We All Have Stuff initiative underway to encourage teens to talk about their problems and seek appropriate help.

Mike Zimmer, PVHS Principal, noted that the UNITE club produced a mental health awareness video which will be shown to all students.

Brian Strusz welcomed Professor Lori Zahn and 13 Upper Iowa University education students present to observe the board meeting in satisfaction of coursework requirements.

On behalf of the Board and district, Dr. Spelhaug expressed deepest sympathy to the family of Kay Kaiser. Kay served the district for nearly 30 years, first as an educational aide, and since 1997, as Guidance Office Secretary. In addition to helping guide students through their high school years and on to post-secondary opportunities, Kay managed the selection process of Pleasant Valley Education Foundation scholarships from the Foundation’s inception. Booster parents through the years had the opportunity to work alongside Kay as she managed concessions for district activities. Kay died September 18th. Memorials are being directed to a Pleasant Valley Education Foundation scholarship established in Kay’s memory.
RECOGNITION: NATIONAL MERIT SEMI-FINALISTS  Mike Zimmer, Pleasant Valley High School Principal, introduced the following Semifinalists in the 63rd annual National Merit Scholarship Program: Laura J. Brown, daughter of Jason and Rita Brown; Vivek Joshi, son of Deepak and Janki Joshi; Konnor Sommer, son of Kevin and Jill Sommer; Vishwajit Subramanian, son of Subramaniam Trichi and Arathi Sharada Balagangadharan; and Sophia Xiao; daughter of Peter Xiao and Guo Li.

To become a Finalist, a Semifinalist must have an outstanding academic record throughout the high school years, be endorsed and recommended by the school principal, write an essay, and earn SAT scores that confirm the student’s earlier qualifying test performance. The Semifinalist and a school official must submit a detailed scholarship application which includes the student’s essay and information about the Semifinalist’s participation and leadership in school and community activities.

From approximately 16,000 Semifinalists, representing the top 1% of students across the nation, nearly 15,000 will advance to the Finalist level and in February will be notified of this designation. These scholarship recipients will join some 330,000 other distinguished young people who have earned the Merit Scholar title.

RECOGNITION: JUNIOR HIGH AND HIGH SCHOOL NURSING STAFF Before 7th and 12th grade students were allowed to start the new school year, each had to be current on their Meningococcal vaccine. 7th graders where required to have the first dose, and 12th graders the first and second dose. This new state law which became effective for the 2017-18 school year allowed no grace period for the start of school, and students without evidence of the vaccination or an Immunization Exemption on file were unable to attend school until the requirement was met. Additionally, 7th graders were required to have one dose of the Tdap vaccine. It is important to note that this law will impact all incoming 7th and 12th grade students going forward.

Pleasant Valley Junior High nurse Melinda Whigham, High School nurse, Pam Cinadr, along with support from aide Mary Akker, spent a great deal of time over the summer following up with parents of children requiring the immunization. The Board recognized and thanked them for their diligent efforts. Ms. Whigham thanked the elementary school nurses for their assistance. Ms. Cinadr asked that parents of 2018-19 7th and 12th grade students be in contact with their healthcare providers well in advance of the start of the 2018-19 school year to secure vaccinations to avoid possible vaccination shortages.

RECOGNITION: TEAM RUBICON/HURRICANE RELIEF FUNDRAISING EFFORTS For two weeks in September, Pleasant Valley students and staff raised funds in support of Team Rubicon’s Hurricane Harvey relief efforts. The response was extraordinarily generous; $10,000 was raised. Students Bryson Hegland, Hopewell Elementary; Owen Ripple, Bridgeview Elementary; Benjamin Alkhafaji and Harper Clark, Pleasant Valley Junior High, and Bobby Bender, Emma Horsfield, Keshav Wagle, and Robbie Williams; Pleasant Valley High School were on hand to share with the board some of the fundraising activities which took place. Each student was encouraged to contribute $1. Activities including donut sales, classroom competitions, hat day, and faculty jeans day were held. High school students collected contributions from fans at the September 8th football game. PV Bistro funds were designated for hurricane relief, and PV Bistro participants, represented by Bobby Bender, baked cookies and held a bake sale. The Pleasant View PTA also provided a generous contribution.

Representing Team Rubicon was Christy Wood, mother of Jake Wood, 2001 PV graduate and US Marine veteran who co-founded Team Rubicon in 2010 with the goal of offering the services of highly trained military veterans to people in disaster situations, while concurrently providing much needed support to veterans. Ms. Wood shared updates on Team Rubicon’s deployment of volunteers in Texas, Florida, and
