It is anticipated that Forest Grove Elementary will open as a two section building for the 2021-22 school year. Preliminarily, the Forest Grove Elementary attendance area is expected to encompass the area bounded by Interstate 80, Criswell Road, 53rd Street, and Middle Road. The District will seek public input via informational meetings to be held at each elementary building. That meeting schedule is yet to be determined.

No required motion.

2017 SUMMER SCHOOL REPORT: Dr. Lewis presented evaluative information from the district’s 2017 summer school programs. This summer, the district hosted the K-8 summer program for identified students, as well as a pilot Launch to 4th Grade program for our most struggling readers. 224 students (K-7) attended programs held at Hopewell, Riverdale Heights, and Pleasant Valley Junior High. Students short of meeting end of year grade-level benchmarks in reading were recommended for the program. At the elementary level, students received math and reading instruction, as well as robotics, music, and physical education opportunities. Junior high students received reading and math instruction.

In conjunction with the Scott County Family YMCA, Launch to 4th Grade – an intensive summer reading program, was also offered at Riverdale Heights Elementary. The YMCA offered meals and wraparound care.

The summer school program goal is to avoid “summer learning loss”, and it appears that goal was accomplished for more than half of all summer school students.

The $314 per pupil cost is absorbed by the district and state grants; families do not currently pay for summer school.

Student attendance remains the challenge. While 40% of students had “perfect attendance” during the sessions, which ranged from 10 – 14 days in length, 66% attended 90% of the days, and 80% attended just 80% of the days.
