The Elementary leadership team has considered the pros and cons of potential solutions, including (for the 2018-19 school year only) adding a third section of 6th grade at Bridgeview, introducing a section of 6th grade at the junior high, and increasing 6th grade class size districtwide. Each option created challenges which outweighed the benefits.

The team then explored the possibility of adding one section of 6th grade and eliminating one section of 5th grade, again for the 2018-19 school year only, at Pleasant View. The advantages of such a solution include more convenient bussing options, fewer number of overloaded classrooms, all 6th grade students will remain in an elementary building, and an additional teacher will not be required. The district has utilized a similar solution in the past, most recently when the anticipated opening of Hopewell was delayed.

Except for exceptional circumstances, 2018-19 grade 6 enrollment will be fixed at 25 per section in all buildings which means new students to the district will be assigned to Pleasant View.

Motion by Anderson, second by Dickson that the board approve the establishment of an additional section of 6th grade and elimination of one section of 5th grade at Pleasant View for the 2018-19 school year as presented. Roll call vote. Ayes – Ayers, Hoskins, Anderson, Wagle, Cournoyer, Dickson. Nays – none. Motion carried.

**JUNIOR HIGH COURSE OF STUDY RECOMMENDATION FOR 2018-19:** An 8th Grade Honors Language Arts course is proposed to be added to the junior high curriculum. This class will provide consistent extension of the 8th grade Language Arts standards through:

- Extended exploration of writing genres
- In depth text analysis of more challenging texts
- Synthesis of complex information
- Rigorous, embedded critical thinking
- Independent reading expectations (such as a reading of selected texts over the summer and a 1,500 page goal per quarter)

Students will be selected for participation based upon MAP Reading and Iowa Assessment Reading scores, current Language Arts grade, and a writing sample. If an 8th grade student is not selected, or does not choose to participate in this new course, they will be eligible to participate in honors language arts courses at the high school level.

Motion by Dickson, second by Ayers that the Board approve the change to the junior high course of study as presented. Roll call vote. Ayes – Hoskins, Anderson, Wagle, Cournoyer, Dickson, Ayers. Nays – none. Motion carried.
