WEATHER CANCELLATIONS / MAKE UP DAYS: At the January 28 board meeting, the board established the following make up days:

The Board considered a number of alternatives to make up days/hours missed and decided the option of extending the school day offered the best opportunity for impactful student learning. 40 minutes will be added to the elementary day and 30 minutes will be added to the junior high and high school day on the following dates:

<table>

**Note that the regular school day schedule will be followed on Fridays.**

In addition, the final elementary class day (currently June 7th) will be a full day instead of an early dismissal day.

The district and the board are taking these steps to deal with the unusual and historically large number of days missed for bad weather and emphasizes that these steps have been taken in the most unusual of circumstances. If students have after school commitments which create conflicts that cannot be resolved, the student’s absence will be excused upon submission of a note to the building secretary.

The District appreciates everyone’s cooperation as we work toward recapturing student learning time.

**The date of high school graduation will not change** – May 26, 2019; 3:30 p.m. at the Tax Slayer Center.
