**UPDATED FIVE-YEAR CAPITAL PROJECTS PLAN:** The Board continued review of the Five-Year Capital Projects Plan initially brought before the Board November 25, 2019. The first two years of the plan are based upon solid projections; years beyond the first two are more likely subject to modification depending upon costs, available money and future needs of the District.

As previously noted, the current Five-Year Capital Projects Plan does not project a need for additional borrowing. However, should large projects such as building expansion become necessary, new borrowing may be required.

Mr. Clingingsmith explained the District’s statutory debt limit, future borrowing capacity and the various borrowing opportunities available to the District. The statutory debt limit is 5% of assessed valuation. The District’s current assessed valuation is $3,275,467,091; thus the statutory debt limit is $163,773,355. Current outstanding borrowing is $49,265,000; 30.08% of our statutory debt limit. The District can borrow against future voted PPEL (Physical Plant & Equipment Levy), the statewide penny sales tax (SAVE - Secure an Advanced Vision for Education), or obtain voter support for General Obligation bonds should future financing become necessary.

Motion by Dickson, second by Ayers that the Board approve the updated Five-Year Capital Projects Plan as presented. Roll call vote. Ayes - Nels, Brockmann, Dickson, Hoskins, Ayers, Anderson. Nays - none. Motion carried.

After further discussion the Board agreed to initiation of the bid process. Tennis court rework will be bid as an alternate. Parking lot improvements are expected to be completed prior to the start of the 2020-21 school year.

Motion by Ayers, second by Nels that the Board approve the Pleasant Valley Junior High parking lot improvement and tennis court rework schedule as presented. Roll call vote. Ayes - Nels, Brockmann, Dickson, Hoskins, Ayers, Anderson. Nays - none. Motion carried.

Mr. Zimmer joined the meeting at 6:45 p.m.

**CALENDAR ADJUSTMENT DUE TO JANUARY 15 SCHOOL CANCELLATION:** Icy conditions forced cancellation of classes Wednesday, January 15. February 14, 2020 was previously scheduled as a no school day for students and a half day of professional development for 7-12 teachers and a records day for Pk-6 teachers. To make up for the cancellation, students will attend school on their early out schedule on February 14, and professional development and records completion will take place in the afternoon. The district’s goal is to maximize learning time for students while minimizing impact on our families’ calendars.

Vice President Hoskins opened the required public hearing at 6:56 p.m. No comments were received from the public and the public hearing was closed at 6:57 p.m.

Motion by Dickson, second by Brockmann that the Board approve adjustment to the 2019-20 calendar so that school is in session on an early out schedule February 14, 2020 to compensate for the school

Total cost of food service equipment required for Forest Grove Elementary School is anticipated to be $297,931.00. This is the second of three annual installments to be made by the Nutrition Fund to reimburse the Capital Projects Fund for Forest Grove Elementary equipment.
