IOWA SCHOOL PERFORMANCE PROFILE: The Iowa School Performance Profile is an online tool showing how public schools perform on several required measures. The program scores each district and each school on accountability measures required under the federal Every Student Succeeds Act (ESSA). District and school scores are based on the following learning measures: Iowa Statewide Assessment of Student Progress (ISASP) achievement scores, ISASP proficiency, ISASP growth, ISASP participation, graduation rates, English Language progress, and results from the Condition for Learning student survey. Each school in the state receives a rating based upon their overall score. The rating categories include Needs Improvement, Acceptable, Commendable, High Performing and Exceptional. All Pleasant Valley schools were rated as Commendable, High Performing or Exceptional. The profile can be viewed at iaschoolperformance.gov.

No required motion.

ENROLLMENT UPDATE AND LOOKING AHEAD TO 2020-21: Mr. Strusz reviewed future staffing needs in light of enrollment trends and kindergarten roundup numbers. The 2020-21 kindergarten class will likely be the District’s largest kindergarten class to date, and the current second grade class is at capacity. These classes will be closely monitored and consideration given to adding a section of one or both grades to accommodate growth. The opening of Forest Grove Elementary for the 2021-22 school year will reduce the pressure of District growth at the elementary level.

No required motion.
