Public hearings may be held on school district matters at the discretion of the board. Public notice of a public hearing will be in the same manner as for a board meeting except that the notice will be given at least ten days before the hearing is to be held unless it is impossible or impractical to do so, or the law requires otherwise.

During public hearings, citizens of the district who wish to address the board during public comment will approach the podium and state their name, address and association with the school district. Speakers will be asked to keep their remarks within 3 (three) minutes. Prior to the beginning of the hearing, speakers and spectators will be apprised of the rules of order to be followed regarding time limitations, questions, remarks and rebuttals. In no event will a speaker be allowed to take the time of another speaker.

The board will conduct public hearings in an orderly fashion. At the beginning of the hearing, statements, background materials and public hearing rules and procedures will be presented by the board president. Only individuals recognized by the board president will be allowed to speak. Comments by others are out of order. Individuals who interfere with or interrupt speakers, the board or the proceedings will be asked to leave.
