SCHOOL LIBRARY

The school district will maintain a school library in each building for use by school district personnel and by students during the school day.

Material for the libraries will be acquired according to board policy 603.8 “Instructional Materials Procedures”. The district may provide access to all parents and guardians of students enrolled in the district or other members of the school community an online catalog of all books available to students in the school libraries. This access will be displayed on the school district’s website. Any challenges to library materials will be handled following the process for handling challenges to instructional and library materials as established in board policy 603.8E1.

It is the responsibility of the principal of the building in which the school library is located to oversee the use of materials in the library.

It is the responsibility of the superintendent to develop procedures for the selection and replacement of both library and instructional materials, for the acceptance of gifts, for the weeding of library and instructional materials, and for the handling of challenges to either library or classroom materials.
