The AP Environmental Science course is designed to engage students with the scientific principles, concepts, and methodologies required to understand interrelationships within the natural world. Environmental Scientists are responsible for the protection of the environment and human health. Using the skills and content knowledge taught in this course, students will be asked to provide viable solutions for real world problems.

The other recommended courses will complement apprenticeship programs in which our students participate so that the student can graduate high school with their high school diploma as well as an apprenticeship certificate. The district is working closely with Eastern Iowa Community College to ensure PV teachers meet the qualifications to teach the courses on our high school campus.

2021-22 ANNUAL COMPREHENSIVE FINANCIAL REPORT (ACFR): Chief Financial Officer Mike Clingingsmith reviewed the Annual Comprehensive Financial Report (ACFR) for the year ended June 30, 2022. This is the seventh year in a row that the district has issued an ACFR instead of a less detailed form of audit report.

Mr. Clingingsmith thanked Lorrie Wakeland, District Accountant; Kelly Hatler, Payroll and Lisa Paper, District Bookkeeper for their assistance during the audit and for their hard work throughout the year, which is a key piece of receiving a “clean” ACFR each year and also thanked Beth Marsoun, Communications Director, for the pictures on the cover page of the ACFR.

Mr. Clingingsmith walked the board through the ACFR. Once again, the ACFR will be submitted to the Association of School Business Officials International (ASBO) and to the Government Finance Officers Association (GFOA) to be considered for the Certificate of Excellence in Financial Reporting award from each organization.

An unmodified (formerly referred to as “unqualified”) opinion was issued on the financial statements. An unmodified opinion is the most desired result of an audit. In addition, no instances of noncompliance, material weaknesses or significant deficiencies in internal control over financial reporting were noted by the auditors.

Director Brockmann exited the meeting at 7:25 p.m.

MONTHLY FINANCIAL STATEMENTS: Mr. Clingingsmith presented the monthly financial reports for November, 2022. Through November, General Fund revenue totaled $23,928,775 and expenses totaled $18,506,405. The fund balance in the General Fund at November 30, 2022 was $17,365,230. Also
presented were Management, PPEL, Capital Projects, Debt Service, Nutrition, Student Construction, Internal Service, and Activity Funds reports. No significant variances from projections were noted.
