

## Bridges Prep News & Notes: Aug. 31, 2018

From Mr. Wilson's desk ...

**And just like that, we are at our first holiday weekend! Enjoy Labor Day with family and friends, and we will see you back at Bridges Prep on our regular schedule Tuesday, Sept. 4.**

**Ms. Chris Littleton's class** began their year in fourth grade by discussing qualitative and quantitative observations, one the many science standards that will be used throughout the year. As the lesson bloomed, the students shared their different observations about various fruits. Then the fruits were combined to make a delicious fruit pizza!

As they ate the pizza, the class talked about how each student in the room is unique and has special qualities, but when put together in a group (much like toppings on the pizza) they can become an amazing treat! What a great way to break the ice on the new school year, and a great way to get students to know more about each other.

**Fall sports update! Cross Country schedule:** September 5 - Hosted by Beaufort Academy; September 19 - Hosted by Hilton Head Prep; September 26 - Hosted by John Paul II; October 3 - Hosted by Holy Trinity... Times and locations to be announced!

**Upper School facility update:** I shared with Upper School families this week an update on the temporary modular classrooms. Basically, work is moving quickly, including paving, moving furniture and installing phones and Internet. We expect an inspection by the SC Office of School Facilities around Sept. 13 and, fingers crossed, we will be moving students and teachers to the new classroom in a few weeks. More to come as we know it!

**From the Board ...** Thank you to Elliott Smalley, Superintendent of the SC Public Charter School District, for visiting Bridges Prep this week and meeting with our students!

**Board of Director elections** will be held this fall and we'll soon start seeking nominations. Start thinking of who will best represent the needs of our soon to be K-12 school! Details coming soon.
