

**Special Education Public Review for Supplemental Instructional Materials for
South Carolina High School Credential Courses**

Review Period: July 12–August 11, 2019

The public is invited to review supplemental textbooks and instructional materials for South Carolina High School Credential (SCHSC) courses that have been proposed for use in South Carolina’s public schools. The materials recommended by the Instructional Materials Review Panel will be recommended to the State Board of Education (SBE) for adoption on August 13, 2019. The information below provides the titles of programs recommended for supplemental adoption and the publisher-provided links to digitally access the student materials. Citizen comments will be submitted to the SBE with the Instructional Materials Review Panel’s recommendations. Dates for the public review are July 12–August 11, 2019. Below is the link to the form for citizens to submit comments.
