# Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the ESSA.

**The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding.** LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

**The LEA must address the Strategy and Alignment prompts provided on the following page.**

**Each provision for each program must be addressed,** unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision **within the LCAP Federal Addendum Template.**

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The CDE emphasizes that **the LCAP Federal Addendum should not drive LCAP development.** ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to

promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

California's ESSA State Plan significantly shifts the state's approach to the utilization of federal resources in support of underserved student groups. This LCAP Federal Addendum provides LEAs with the opportunity to document their approach to maximizing the impact of federal investments in support of underserved students.

The implementation of ESSA in California presents an opportunity for LEAs to innovate with their federally-funded programs and align them with the priority goals they are realizing under the state's Local Control Funding Formula (LCFF).

LCFF provides LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The LCAP planning process supports continuous cycles of action, reflection, and improvement.

Please respond to the prompts below, and in the pages that follow, to describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

## Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Downtown College Preparatory Middle School (DCP El Camino) has developed a comprehensive plan informed by stakeholder input for serving all students. This plan is reflected across accountability documents – the LCAP, LCAP Federal Addendum, and Element B of the Charter Petitions – to ensure alignment. The five applicable goal areas are as follows:

The DCP LCAP focuses on four core areas of work, in alignment with its strategic plan and the eight state priorities. These are:

**Goal 1:** Students will have access to state-adopted standards aligned curriculum, materials, and technology, and will be enrolled in courses taught by appropriately credentialed teachers.

**Goal 2:** Students will be on track to being academically prepared for college success.

**Goal 3:** School environment will be safe and welcoming for all students.

**Goal 4:** Parents and students will be engaged in a culture of college success.

In addition, it holds a fifth foundational goal as follows:

**Goal 5:** DCP is an operationally sound organization with the capacity to carry out Goals 1 - 4

Specific actions are identified within the five goal areas, with federal funds used to supplement and enhance the base funding levels of actions within each goal area that are aligned with each Federal Program. These primarily occur as follows:

- **Title I, Part A** – Additional staffing to meet the needs of all learners, with focused differentiation and intervention for our target population of first generation college going Latino youth from low-income families.
- **Title II, Part A** – Supports data-driven instruction and targeted professional development for teachers and administrators through external partnerships.
- **Title III, Part A** – Supports Integrated and Designated ELD for ELs.
- **Title IV, Part A** – Supports enrichment efforts in alignment with the College Success program.

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

Downtown College Preparatory Middle School (DCP El Camino) has developed a comprehensive plan informed by stakeholder input for serving our population of students – first generation college-going Latino students from low-income families. This plan is reflected across accountability documents – the LCAP, LCAP Federal Addendum, and Element B of the Charter Petitions – to ensure alignment. State and Local Funds, as well as Federal Funds, are identified by source in the LCAP Expenditures for each Action they support.

The LCAP process is used on an ongoing basis to monitor actions and expenditures in support of goals, including the aligned allocation of all revenue streams.

# ESSA Provisions Addressed Within the LCAP

Within the LCAP an LEA is required to describe its goals, and the specific actions to achieve those goals, for each of the LCFF state priorities. In an approvable LCAP it will be apparent from the descriptions of the goals, actions, and services how an LEA is acting to address the following ESSA provisions through the aligned LCFF state priorities and/or the state accountability system.
