## IT'S ON! 4th ANNUAL BACK TO SCHOOL BASH

Hernando School District's Parent Academy staff announce details for the 4th annual **Back to School Bash**. This popular, annual summer event was created to bring health and personal services, and school supplies to families who need assistance in preparing their children for the start of school.

Over the previous 3 years, the Hernando School District's *Parent Academy* staff has developed a robust network of generous community partners that donated a wide variety of services from health screenings to haircuts at the event each year. New this year, the Hernando County Sheriff's Office joined *forces* with The Parent Academy securing a generous array of backpacks and school supplies for families and children.

Because of COVID-19, the Back To Bash needed some creative re-designing to ensure the event would be safe and helpful for families. This year, the Back To School Bash will be a drive-thru event where families and children will receive backpacks pre-loaded with school supplies and information about community resources.
