Candidate Request for Rescoring of IB Exams

By signing this request for rescoring of subject IB exams, the candidate agrees to the following:

- The student/parent is responsible for the administrative rescoring fee of \$125 per subject.
Payment must be rendered at the time of request and is non-refundable. Payment may be made via cash or check (made payable to SHS).
- Each externally scored subject will be scored blindly. As a result, a candidate's score may be lowered, remain the same, or increase. As a result, the candidate's subject score, as well as the overall points earned towards the diploma, may change. Springstead High School assumes no responsibility or role in this process, and is not legally or academically liable for any changes to the candidate's scores.
- Rescored subjects cannot be challenged. The results are final, as will be the total amount of points earned towards the IB Diploma. Rescored subject results will be reported to the IB coordinator via email. The IB Coordinator will have the candidate's transcript resent to their college/university in the case of a change.
