

*House of Champions-  
"Protect this HOUSE!"*

At Spring Hill Elementary School, we are 5 Houses, 1 Family. We Teach, Learn, Work, Play, and PROWL like Champions every day. As a community school, we enjoy partnering with all of our stakeholders to create a culture of invested students, staff, and families dedicated to excellence. We promote academic growth and positive behaviors, while maintaining a family feel and having lots of fun! We believe we have a house full of CHAMPIONS, and look forward to recognizing and celebrating them ALL!
