What is a School-Parent-Student Compact?

Our annual School-Parent-Student Compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Jointly Developed

The parents, students, and staff of Explorer K-8 must annually revise the School-Parent-Student Compact for Achievement. Surveys are sent home to solicit the widest possible participation in this process. Meetings are also held each school year to review the compact and make changes based on student needs. An additional online comment portal allows parents to submit additional feedback.

Building Partnerships

Visit our website or Facebook page to see opportunities for parents to become engaged in parent workshops, grade-level meetings, and campus activities throughout the school year.

If you would like information about volunteering at school, please visit the district website.
