

Florida Department of Transportation

The Florida Department of Transportation (FDOT) is an executive agency reporting directly to the Governor. FDOT plans, develops, implements and maintains a safe, viable, and balanced state transportation system serving all regions of the state. Florida's transportation system includes roadway, air, rail, sea, spaceports, bus transit, and bicycle and pedestrian facilities. FDOT consists of seven Districts, the Central Office located in Tallahassee and the Florida's Turnpike Enterprise.

OUR MISSION

The mission of the Florida Department of Transportation is to provide a safe transportation system that ensures the mobility of people and goods, which enhances economic prosperity, and preserves the quality of our environment and communities.

OUR VISION

As one FDOT team, we serve the people of Florida by providing a transportation network that is well planned, supports economic growth, and has the goal of being congestion and fatality free.
