Quarter 2 Report Card Unexcused Attendance All Gr

Hello Parents and Guardians,

We want to provide clarification regarding the unexcused on your students report card. The unexcused column totals includes all unexcused attendance types.

The unexcused column total is calculated by the following:

- 5th Tardy = Unexcused Absence Type
- Unexcused Tardy = Unexcused Absence Type
- Unexcused Absence = Unexcused Absence Type
- Early Release = Unexcused Absence Type

All of the above attendance situations are considered to be Unexcused Absences per the Student Progression Plan.

In Family Access you can view your student's attendance under the Attendance Tab.

Thank you for your patience and understanding.

Please do not respond to this email, this is an unmonitored email box. If you have any question or concerns please contact your student's school.
