Cambridge International AS & A Level

Opening doors to a world of opportunities

Cambridge works with schools worldwide to build an education that shapes knowledge, understanding and skills.

Together, we give learners the confidence they need to thrive and make a positive impact in a changing world.

A graphic consisting of a dark blue shield with a white border, set against a teal background. The shield has a pink and white decorative border on its left and top edges. Inside the shield, the text "Ready for the world" is written in a serif font. "Ready" is in yellow, "for" is in white, "the" is in white, and "world" is in pink.

A love of learning

The programme is built around what matters most to your child as they progress through their education.

- Choose from a range of 55 subjects, meaning they can study what they enjoy and are good at.
- Develop a deep understanding of the subjects as well as independent learning and critical thinking skills – abilities that universities value highly.
- Cambridge International AS & A Level is a two-year course, though students can complete AS Level in one year.

Current courses

An aligned programme based on the latest research

- Cambridge believes education works best when curriculum, teaching and learning, resources and assessment are closely aligned and encourage personal growth and wellbeing.
- We can support your child – by providing additional guidance to build understanding and confidence, or offering stretch and challenge, helping them to reach their potential and thrive.

An international education

- Cambridge International AS & A Levels are designed for an international audience, making them ideal for learners whose first language is not English.

Fair and meaningful assessments for every student

- Exams taken at the end of the course – students develop a deeper understanding of subjects.
- Choice of three assessment options.
- Each subject receives a separate grade.
- Grades are from A* to E, with A* being the highest.
- Exams in November and June with flexibility of timing.

CAMBRIDGE

Recognised and valued worldwide

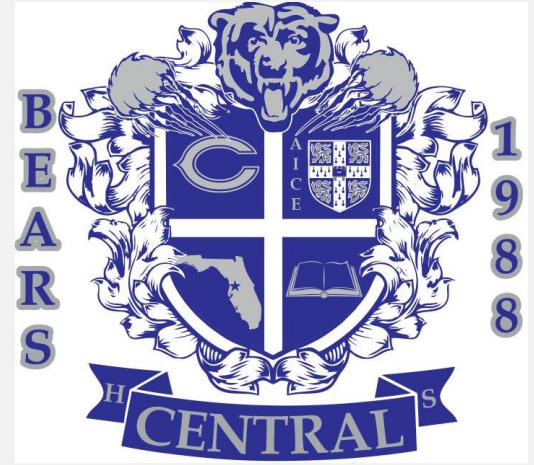

- Cambridge International AS & A Levels help thousands of learners to gain places at leading universities around the world.
- Cambridge qualifications open doors to a world of opportunities, helping to prepare your child with the skills they need to thrive at university and beyond.
- Universities value the critical thinking skills, independent research abilities and deep subject knowledge that Cambridge learners bring.

UNIVERSITY OF CAMBRIDGE AICE EQUIVALENCY

**Why do
admissions
officers rate
Cambridge
International
so highly?**

A global learning community

- With the Cambridge Pathway, your child is joining a global community of learners from more than 10 000 schools in over 160 countries.
- By working with our wider community, our teachers can connect with other schools from around the world to share best practice.

“Taking Cambridge International A Levels was the best decision I ever made for my education. Not only did they grant me significant university credits to start with, they also equipped me with the fundamental knowledge needed for advanced university courses.”

Celina Wu

Studied Cambridge International A Levels at Bina Bangsa School in Indonesia, now majoring in Neuroscience at the University of Michigan
