

# DARNELL BUTLER JR

Powell Middle/Safe Schools

"We are excited to hear that Darnell is being honored in the staff spotlight. He is very deserving!

- Brandon Derespiris, Director of Safe Schools

"Guardian Butler, at Powell Middle is an absolute gem. The students call him DJ. He is wonderful with the students and his heart is as big as Texas. He genuinely cares about his job and the students. He worked with us at Moton over the summer for our summer programs and is now at Powell where both of my daughters attend. To have him at my daughters' school, watching over them and the rest of the kids is an absolute blessing."

- Tracy Hollis
