DALY**

Weeki Wachee High

"I want to give a big thank you and congratulations to Mr. Daly and his amazing Speech and Debate Team! They hosted today's tournament with 16 different schools from around the state participating, some even coming in from Miami. Mr. Daly's hard work was evident today as the tournament ran smoothly, the kids were very helpful and courteous and several earned awards for their events. I just wanted to make sure you all knew what a great job he did in preparation for today. It takes a lot of time and effort to put together a large event like this and wanted WWHS to know how grateful we are for his dedication to his students. It truly was a great day at the Hornets Nest!"
