

CLAIR MCDERMOTT

Weeki Wachee High

"Clair is an extremely hard worker who always comes in with a smile. She performs miracles in all areas she touches."

- Sarah Johnston

"She has worked in a couple of different departments at Weeki Wachee that I have had the opportunity to see her amazing work ethic. She takes pride in her quality of work. When she worked in the cafeteria at Weeki Wachee she would literally scrub the refrigerator molding with a toothbrush. As a custodian she leaves her areas shining. Although she might be the tiniest of the crew, the result of her work speaks loudly enough for her. She is genuinely concerned about her coworkers & their families although her family has been battling a long fight of cancer with her husband but, you would never know it because she is always smiling! Our school wouldn't be what it is without Miss Clair!"
