# BENEFITS OF DRINKING WATER WATER IS YOUR FRTFND

#### Page 4 - Parent Academy

**WHY THIS** 

**MATTERS** 

Math is more than just numbers - it's patterns, shapes, logic, and problem-

solving all around us. This activity

encourages curiosity, creativity, and

real-world math connections in a playful and memorable way.

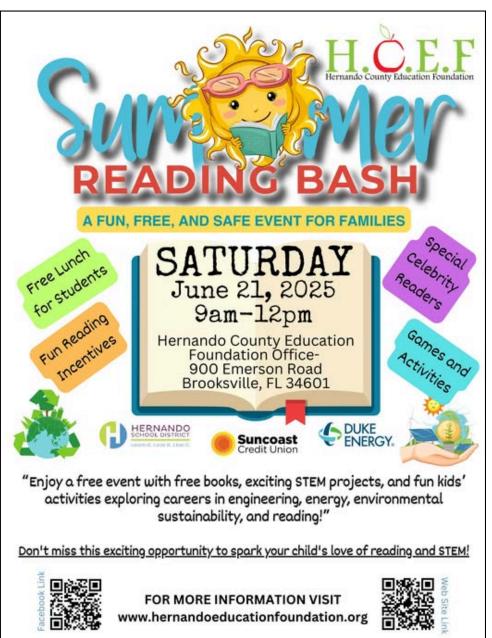

## <u>Keep Kids Hydrated During the Summer</u>

- Encourage kids to carry a water bottle.
- Set goals for how many times they should refill their water bottle.
- Make water intake a regular part of their daily routine.
- Include plenty of fruits and vegetables in their diet.

Examples include: watermelon, apples, cantaloupe, lettuce, celery, grapes, and cucumbers.

# The 2025 Hurricane Season June 1st to November 30th

**Hurricane Safety and Preparedness** Create a checklist for hurricane preparation:

- Gather emergency supplies (water, food, medication, first aid kit, batteries, etc.).
- Know evacuation routes and shelters in your area.
- Make a family communication plan.
- Trim trees and shrubs around your home.
- Ensure your home is structurally sound.

**June 2025** 

Congratulations to all our 2025 elementary and middle school graduates! We're so proud of your hard work and can't wait to see all the great things you'll do next.
