Montezuma-Cortez School District RE-1 Teachers - Additional Information

PLUS HOURS ON SALARY SCHEDULE Hours are to be graduate hours if they pertain to the BA + 15 Sem. Hours; BA + 30 Sem. Hours or BA+45 unless written approval is granted by the Superintendent of Schools prior to enrollment in a particular undergraduate course. These hours need not necessarily be graduate hours if they pertain to the MA+15 Sem. Hours, MA+30 Sem. Hours, MA+45 Sem. Hours or MA+60 Sem Hours. All plus hours for BA and MA must be earned after the date the BA or MA degree and a provisional or professional license has been granted. We will give credit for the hours past the MA if they were education credits and the degree was not in education.

Horizontal movement on the schedule will be allowed September 1st and the first day of the second semester.

A formal letter to the superintendent requesting the move and salary adjustment must be submitted. At this time, the teacher's file will be reviewed. If the move is approved, a contract addendum reflecting the adjustment will be sent to the teacher and a copy attached to the original teaching contract.

Evidence of completed work (official transcript copies) must be on file in the staff member's personnel file. For classes taken for which no official transcript is available, a letter from the college or professor indicating successful completion of the course, as well as all information about the course - number, hours, etc. must be submitted. **Salary adjustment will be made contingent upon receipt of an official transcript.**

If a teacher leaves the district and is rehired, all previous years of experience in district will be considered in evaluation of step placement.

PROFESSIONAL STAFF REQUIRED TRAINING (INSERVICE REQUIREMENTS FOR INSTRUCTIONAL STAFF)

All certificated/licensed staff are directed to take such continuing education classes or course work as may be required from time to time by the administration and approved by the Board of Education. Such classes or course work shall be reasonably related to the assigned work of certificated/licensed staff members.

Evaluators and immediate supervisors shall include such classes or course work in all improvement or professional growth plans and in all professional development plans for the recertification or relicensing of certified staff members.

The successful and timely completion of such classes or course work within the time frame established by the administration and Board shall be considered a condition of continued employment by the school district. The administration and Board may include the successful and timely completion of such classes or course work as an element in future salary schedules and/or policies.

The Montezuma-Cortez Induction Class has been found essential in providing skills and knowledge necessary to deliver the mission of the Montezuma-Cortez School District. That mission is to prepare and motivate all students to discover their abilities and become self-directed, responsible, thinking contributing members in a modern multi-cultural society. This class provides training in standards, assessment, curriculum development, mentoring, cooperative learning and cultural awareness unique to the Four Corners. All Montezuma-Cortez teachers must complete or demonstrate competency of the class. Probationary teachers must complete or demonstrate competency of the class before gaining non-probationary status.

Head Teachers and Team Leaders must have completed the Supervision/Mentoring portion of the class.
