ABSENCES

Colorado law requires minors under the age of 16 to attend school regularly. The following are considered excused absences:

- 1) A student who is temporarily ill or injured or whose absence is approved by the administrator:
- 2) Prearranged medical/dental appointments, family business or trips or impassable roads for bus transportation.

The school may require written proof of absence, such as a doctor's statement. ***School district policy allows a minimum of one day for make-up work for each day missed due to an excused absence.***

Unexcused absences:

An unexcused absence is defined as an absence that is not covered by one of the foregoing exceptions. Each unexcused absence shall be entered on the student's record. The parents/guardians of the student receiving an unexcused absence shall be notified orally or in writing by the district of the unexcused absence.

In accordance with law, the district may impose appropriate academic penalties that relate directly to classes missed while unexcused.

- 1st and all subsequent Unexcused Absence(s) will result in a phone call.
- 5th Unexcused Absences will result in a letter, highlighting state attendance law, will be sent.
- ***All Unexcused Absences will result in the student loss of free time privileges for the purpose of making up class work and could potentially hinder academic progress up to and including consideration of potential grade level retention.***

Reporting absences:

Regular attendance is necessary for the academic growth of children. However, should your child need to be absent because of sickness or other legitimate reasons, please use the following procedures:

- Call the school office between 7:00 a.m. and 8:30 a.m. and inform the school that your child will be out.
- Upon your child's return to school a written, signed excuse sent to the child's teacher is necessary to explain the absence.

ACCOUNTABILITY COMMITTEE

Each school district has developed an accountability program. Each school in the district has an accountability advisory committee as well. This committee reviews the level of scholar performance and develops goals and plans for improving educational achievement. The accountability meeting gives you an opportunity to ask questions about how scholar's needs are being met at school. Notice of meeting dates and times will be published in advance.

ARRIVAL AND DISMISSAL

Sometimes students arrive at school and are on the school grounds when **NO** supervision is provided. **Students are not to be at school before 7:30 a.m. unless they are participating in a school activity.** Please monitor your child's departure time so that he/she will not arrive at school before 7:30 am. Our school day begins promptly at 7:45 am.

PLEASE do not ask to pick up your student early, as staff members are teaching right up to the end of the day. In addition, asking to release a child just before the end of the day seriously disrupts each class.

Please respect our staff by picking up your child promptly at the end of the day. Children, who are habitually left late, causing a staff member to stay late, will be reported to Social Services. Children are to go directly home after dismissal from school. No one will be allowed to remain on the school grounds unless supervised. If a teacher retains a child after school, the teacher will notify the parents. Your child must have a note from you if he/she is to wait for you after school or is riding the bus with another student. We will also accept notification by telephone.

All changes to daily transportation methods must be requested before 2:30pm (1:00pm Wednesdays). If we do not receive a call, students will use their regular mode of transportation home (bus, car, or walk).

ASBESTOS MANAGEMENT PLAN

Asbestos Management plans have been formulated for every RE-1 building. Those plans are available for review by RE-1 staff, parents and the general public at the Administration Building, 400 N. Elm St., Cortez, Colorado, or at any of the occupied building.

ATTENDANCE

Our Annual SCHOOL GOAL is a 95% attendance rate. Regular attendance is vital to the on-going continuity of the education program. Students are expected to be at school from 7:45am-2:55pm Monday, Tuesday, Thursday, and Friday and 7:45 am-1:15 pm on Wednesday. Daily attendance is critical to both academic and social achievement and absences are detrimental to performance in both areas. We ask that families not allow absences except for serious illness or emergency circumstances, and to schedule appointments for Wednesdays after 1:30pm. **Makeup work never compensates for school attendance.** State law on compulsory attendance and district policy mandates that families have the obligation to make sure their children are in school. Please keep these things in mind when scheduling appointments, trips and activities. When illnesses or other unavoidable situations occur, please notify our office before 7:50am.

When a student returns to school following an absence, a note of explanation from the parent is required, unless the school has been notified in advance. School administrators are authorized to excuse scholars from school for necessary and justifiable reasons.

If a student has four (4) unexcused absences in a month, or ten (10) in a year, a notice will be sent and a referral to the Superintendent will be made. Our Superintendent will enforce the mandatory attendance laws, with consideration for the variables that affect children and families. As legal action is possible, an attendance improvement plan meeting will be encouraged between the family and the principal.

Students arriving after 7:45 am are considered tardy. Scholars arriving at school after 9:30 am are considered absent for one-half a day, as are children who leave before 1:30 pm. Students will only be permitted to leave campus prior to dismissal time if accompanied by the parent/guardian, a person designated by the parent/guardian in verifiable written form, adults listed on the emergency contact list or a school official. Phone calls to dismiss students are not acceptable. Students safety is our first priority and we will not release students into uncertain circumstances.

Rewards for regular attendance will be recognized by three levels of attendance: most improved attendance, three days or less and 100 % attendance. Most improved attendance and perfect attendance will be awarded annually.

BOOKS AND CARE OF PROPERTY

This school and all of its property belong to everyone and care should be taken not to deface or destroy the building or any of its contents. The school also provides textbooks and allows scholars to check out library books. If a book is not returned, or excessively damaged, the scholar must pay the replacement cost of the book before a new one can be issued. The average cost of an individual book is from \$11.00 to \$65.00. State law provides that educational records may be withheld until book fines have been collected.

BULLYING PREVENTION and EDUCATION DISTRICT POLICY- JICDE

The Board of Education supports a secure school climate, conducive to teaching and learning that is free from threat, harassment and any type of bullying behavior.

The purpose of this policy is to promote consistency of approach and to help create a climate in which all types of bullying are regarded as unacceptable.

Bullying is the use of coercion or intimidation to obtain control over another person or to cause physical, mental or emotional harm to another person. Bullying can occur through written, verbal or electronically transmitted expression or by means of a physical act or gesture. Bullying is prohibited against any student for any reason, including but not limited to any such behavior that is directed toward a student on the basis of his or her academic performance or any basis protected by federal and state law, including disability, race, creed, color, sex, sexual orientation, national origin, religion, ancestry or the need for special education services, whether such characteristic(s) is actual or perceived.

[Note: At the Board's discretion, the policy may state "or against whom federal and state laws prohibit discrimination upon the bases described in CR.S. 22-32-109(1)(II)(I)" instead of listing the specific classes protected by federal and state discrimination laws.]

Bullying is prohibited on district property, at district or school-sanctioned activities and events, when students are being transported in any vehicle dispatched by the district or one of its schools, or off school property when such conduct has a nexus to school or any district curricular or non-curricular activity or event.

A student who engages in any act of bullying and/or a student who takes any retaliatory action against a student who reports in good faith an incident of bullying, is subject to appropriate disciplinary action including but not limited to suspension, expulsion and/or referral to law enforcement authorities. The severity and pattern, if any, of the bullying behavior shall be taken into consideration when disciplinary decisions are made. Bullying behavior that constitutes unlawful discrimination or harassment shall be subject to investigation and discipline under related Board policies and procedures. Students targeted by bullying when such bullying behavior may constitute unlawful

discrimination or harassment also have additional rights and protections under Board policies and procedures regarding unlawful discrimination and harassment.

The superintendent shall develop a comprehensive program to address bullying at all school levels. The program shall be aimed toward accomplishing the following goals:

1. To send a clear message to students, staff, parents and community members that bullying and retaliation against a student who reports bullying will not be tolerated.
2. To train staff and students in taking pro-active steps to prevent bullying from occurring.
3. To implement procedures for immediate intervention, investigation, and confrontation of students engaged in bullying behavior.
4. To initiate efforts to change the behavior of students engaged in bullying behaviors through re-education on acceptable behavior, discussions, counseling, and appropriate consequences.
5. To foster a productive partnership with parents and community members in order to help maintain a bully-free environment.
6. To support victims of bullying by means of individual and peer counseling.
7. To help develop peer support networks, social skills and confidence for all students.
8. To recognize and praise positive, supportive behaviors of students toward one another on a regular basis.

BUSING

If your child normally rides a bus we must have a note or a phone call if he/she is not to ride the bus. Otherwise they will be put on the bus. **Disruptive students will not be allowed to ride the bus; parents will be called to pick them up at school.** If a student is sick the parents will be called also.

Student Conduct in School Vehicles- RE-1 Dist. Policy (JICC)

The privilege of riding in a school vehicle is contingent upon a student's good behavior and observance of the student code of conduct and established regulations for student conduct both at designated school vehicle stops and on-board school vehicles.

After due warning has been given to the student and to the student's parents/guardians, the principal and/or transportation director may withhold from the student the privilege of riding in the school vehicle. Violation of district policies and regulations while in a school vehicle may also result in the student's suspension or expulsion from school, in accordance with district policy.

BUS LINE RULES:

1. Once you are dismissed from class go directly to your bus line.
2. If different arrangements for transportation home have been made, we must be notified by your parents through a phone call or a written note.

3. If you plan to get on a different bus than normal you must have a written note for the office. Your classroom teacher will be notified and a bus note will be prepared for the bus driver.

4. No pushing, shoving, tripping or taking "CUTS" in the bus lines (and all other lines).

CLASSROOM PARTIES

The only authorized parties are as follows: Halloween, Christmas, and Valentine's Day. These parties will be held in the classroom during the afternoon session. Any variation from the above **must** be authorized by the principal prior to the activity.

COLD WEATHER PROCEDURES

Unless the weather is severely cold, students will be outside during recesses. If we have an "inside-day", individual teachers may take students out for 5 or 10 minutes to get some fresh air and exercise. If your child needs to stay in from recess because he/she is ill or has been ill, please keep your child home until he/she has recovered.

If your child needs to stay in from recess for other medical reasons, please send a note to the school stating the reasons.

All students should dress appropriately for school, keeping in mind the activities for the day, the weather and the health and safety of the individual.

Snow boots and waterproof gloves are required to play in the snow. If a child is not wearing these at recess they will be asked to stay on the blacktop.

COMMUNICATION

An important part of education is the open communication between the school and the home. Parents are encouraged to stay in contact with the school. Please come in before or after school to talk to the teacher or call 882-4494/882-7617 and make an appointment in order to minimize disruption to class time. Parents may also email their child's teacher through the district website. They are also invited to attend the Open House and the Parent-Teacher Conferences. Teachers will communicate with the home through notes, email, phone calls, and comments written on report cards. Report cards will go home each trimester. A monthly calendar and menu will be sent home to keep the school meetings and/or schedules clear. Parents are encouraged to stay in contact with the school regarding changes in phone, address, emergency contacts, educational progress, discipline or personal issues regarding the scholar.

COMPUTER USE

Use of the network and computers are a privilege. Students are mandated to follow the instructions of the teacher in reference to their use of computers. The school provides an Internet filter, to protect students from inappropriate content, to the best of our ability. Students and their parents sign letters of compliance with Internet protocols annually. Inappropriate use of computer equipment will result in suspension of computer privileges.

CONFIDENTIALITY OF RECORDS

The Family Educational Rights and Privacy Act (FERPA) affords parents and students certain rights with respect to student educational records. The Board has established written policies regarding the student's educational information collected and maintained pertinent to the education of all students to ensure the confidentiality of the information and to guarantee parents' and students' rights to privacy. These policies and procedures are in compliance with both federal and state law.

These records are maintained in the school office under the supervision of the building administrator and are available only to the teachers and staff members working with the student. With the exception of a record's request from a new school, records are not released to most agencies, person or organizations without prior written consent to the parents.

Parents are informed when personally identifiable information collected, maintained, or used is no longer needed to provide educational services to your child. This information is maintained for two years after the date your child was last enrolled in the district.

You have the right to inspect and review any and all records related to your child within forty-five days of the day of receiving a request for access. Please contact the principal for an appointment or submit a written request for the records you wish to inspect.

You have a right to file a complaint with the FERPA office concerning alleged failures by the school to comply with the requirements. The name and address of the office that administers FERPA are:

**Family Policy Compliance Office
U.S Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605**

COURT ORDERS OR LEGAL DOCUMENTS

If there are court orders or other legal documents that the school needs to be informed of in order to maintain the safety and well-being of your children, PLEASE make sure that we have a copy of them for our records. When we receive such documents we flag the child so as not to allow them to leave with certain individuals or to otherwise fulfill the wishes of the court. WE ARE NOT ABLE TO FOLLOW SUCH REQUESTS BY INDIVIDUALS ONLY. WE MUST HAVE A COURT DOCUMENT.

CURRICULUM

Our guiding documents for curriculum are the Colorado Academic Standards and the district's Curriculum Guide for planning. The Colorado standards are common core imbedded standards and were adopted by the Board of Education. In addition, we use board adopted resources to fulfill those requirements along with other selected materials from a variety of sources.

Reading Instruction

Along with the other district elementary schools, Lewis-Arriola Elementary is embracing the Success for All reading framework as our core reading resource. Based on research, Success for All supports our teachers in identifying and implementing strategies designed to reach every single student. The SFA reading framework uses research-based practices as well as a full array of supports that will help every child reach their full potential. Our staff receives professional development to make sure that we provide quality instruction and insure that scholars are learning.

Mathematics Instruction

EngageNY is the curriculum selected by the district for K-5th math instruction. This math resource is rich in critical thinking and presents ways for students to learn in multiple ways including those that parents may recognize.. It ensures implementation of Colorado Academic Standards for scholars K-5, the standards that we all want our scholars to know and be able to do!

Writing Instruction

Our staff has identified core grade level writing essential skills. The writing resource, *The Write Tools*, is used to provide practical instructional strategies, step-by-step teaching guidelines and interactive student-to-teacher and student-to-student writing activities that enhance reading, writing, listening and speaking skills.

Social Studies and Science Instruction

The district adopted materials and prepared science exploration kits based on *A Closer Look* from SRA McGraw-Hill. The kits provide resources for experiments and exploration on the grade-level topics based on state standards. Instruction and assessments are planned by grade level teachers and are based on Colorado Academic Standards using resources including and in addition to the district provided resources.

DISCIPLINARY PROCEEDING for STUDENTS

Any student, teacher, administrator, Board Member, parent, or other person may report a violation of student disciplinary rules to an administrator. The administrator will then make an investigation of the charges as deemed appropriate and will institute appropriate proceedings. In order to promote effective student discipline, the assistance of parents in enforcing rules for student discipline shall be invited and encouraged. All staff members are responsible for implementing the plan of student discipline for the school.

Possible Consequences

The range of consequences that may be imposed for violations of student discipline rules include, but are not limited to the following:

- Verbal warning,
- Written warning,
- Written notification to parents,
- Conference with parents,
- Detention,
- Suspension from transportation,
- Suspension from extracurricular activities,
- Suspension of other privileges including field trips,
- Exclusion from a certain class,

- In-school suspension,
- Suspension for one to ten days,
- Or expulsion.

Depending upon the nature of the violation, student discipline may be progressive, i.e., generally a student's first violation should merit a lighter penalty than subsequent violations. The above penalties may be imposed either alone or in combination.

DISTRICT BOARD POLICIES

Information about RE-1 Board Policies can be found at the following web address and from your school's website. <https://www.cortez.k12.co.us/our-district/board-of-education/policies>
Additional information or support can be found by calling your school or the district administrative offices at 970-565-7282.

DRESS CODE

Hats, mittens, boots, hoodies and warm coats are necessary during most of the school year. Please make sure your scholar is appropriately dressed for the current or impending weather conditions. *Hats are to be removed upon entry the building; hoodies and coats are to be removed and placed in designated area as scholars enter their classroom.* In addition, scholars need to be sure to have the appropriate footwear on the days they participate in movement education.

Scholars are to use good judgment in regard to dress and personal appearance, being especially careful with cleanliness and good grooming.

The district's dress code (File JICA) prohibits the following:

1. Athletic/Jogging/running shorts.
2. Sheer, tight, or short clothing (skirts, shorts and dresses shorter than mid-thigh).
3. Sunglasses, head wear and jackets in the building (coats, jackets, and outerwear should be left in lockers during class).
4. Underwear as outerwear.
5. Flip-flops or bedroom slippers.
6. Clothing that exposes private parts of the body like stomach, buttocks, back and breasts.
7. Clothes worn in a sagging/bagging or loose fitting manner. Pants are to be worn at waist level (belts must be worn in belt loops; waist and crotch of pants must fit).
8. Pants, belts and shorts shall be worn so that they do not pose a safety or security hazard or show underclothing or skin (pant legs may not drag the floor).
9. Any clothing, jewelry, chains or accessories that are sexually suggestive, obscene, and disruptive or drug, alcohol or tobacco related.
10. Unnatural or multicolored hair, painted faces or body parts.
11. Any gang-related attire or grooming.
12. Anything else deemed inappropriate by an administrator.

Additionally, Manaugh adamantly discourages flip-flops, slippers, and open toe sandals which cause tripping and injury issues particularly on the playground and during emergency evacuations.

DROP-OFF AND PICK-UPS

All vehicles dropping-off or picking-up scholars must pull up to the curb and park. We realize that sometimes parents run late to pick up students when an emergency comes up. ***Students left longer than 20 minutes may be referred to social services or to the police for assistance in locating the parents or guardians.***

EMERGENCY AND OTHER EVACUATION DRILLS

Evacuation, fire and lockdown drills are for practicing orderly conduct in case of an actual emergency or disaster and some type of drill is held **each month**. Students, visitors and staff must follow directions of the administrative staff or teacher in charge and remain quiet and orderly during the drills. Please don't drop off students without checking them in at the office. During drills and actual emergencies, students would not be able to get in the building and would be coming into a possibly dangerous situation. We post a notice on the front doors when we are in a drill for your information.

Drills include:

LOCKOUT: Doors are locked and scholars continue as usual.

LOCKDOWN: Scholars out of sight with all classroom doors locked.

FIRE: Scholars leave the building to a prearranged spot on the far side of the playground or move to the evacuation site.

EMERGENCY SCHOOL CLOSURE PROCEDURES

In the event we should experience severe weather conditions, school closure information is available on both KRTZ 98.7 and KOA 850AM – Denver. TV stations: KOAT – Albq, KRQE Channel 13 KOB Albq. KUSA 9 News - Denver

In addition, the school district website, www.cortez.k12.co.us, and facebook page, www.facebook.com/manaughelementary, posts school closure information. You may also be contacted through the auto dialer of the school or reverse 911 for catastrophic emergencies.

On rare occasions when the school closes before regular dismissal time, we attempt to phone all parents. In the case of inclement weather, when you believe the school might close early, please listen to one of the above radio stations or check our website. **PLEASE DO NOT CALL THE SCHOOL UNLESS THERE IS A TRUE EMERGENCY.** Doing so ties up the limited number of lines being used to attempt to contact parents.

IF THERE IS AN EMERGENCY AND SCHOLARS ARE EVACUATED TO ANOTHER SITE, YOU WILL BE NOTIFIED WHERE THAT PLACE WILL BE. THE DISTRICT HAS PROCEDURES FOR THIS TYPE OF EVENT.

FOOD SERVICE

The district will operate school lunch and breakfast programs in its schools which shall be under the overall supervision of the Nutrition Services Director. Food services shall include lunches and breakfasts, through participation in the National School Lunch Program and the School Breakfast Program. The School Board approves the prices set for meals. Breakfast is served free to all elementary students attending schools that participate in Breakfast After the Bell programs.

All families have the opportunity to apply for the free and reduced meal program. Applications can be obtained from the school office or cafeteria at the beginning and throughout the year and submitted for eligibility consideration. Charging is not allowed for meals.

FIELD TRIPS

Parents are welcome to participate with their child's classroom field trips. **We strongly encourage parents to leave their other children at home or in their respective classrooms.** Students from other classrooms who do not have a sibling involved in the field trip will not be allowed to participate.

HABITUALLY DISRUPTIVE

The definition of a habitually disruptive scholar is a scholar who has caused a material and substantial disruption on school grounds, in a school vehicle, or at a school activity or sanctioned event three or more times during the course of the school year. INFORMATION FROM THE COLORADO DEPARTMENT OF EDUCATION

Teacher Certification: Under federal education law, teachers and paraprofessionals in **Title I** schools must meet state certification requirements. A Colorado license or authorization is required for employment as a teacher, special services provider or principal in a Colorado school or school district. All licenses and authorizations must be endorsed to indicate the grade levels/developmental levels and specialization area(s) which are appropriate to the applicant's preparation, training and experience.

Paraprofessional Qualifications: A paraprofessional working in a Title I program may demonstrate qualifications in several ways. According to Colorado statute, school districts retain flexibility for further regulation of paraprofessionals, including certification or licensing. This means requirements can vary across school districts..

First Aid/Illness: Students needing medical attention shall report to the health room or main office. Health service personnel are not always available in the building. Keep contact information up to date so we can reach you quickly if your child becomes sick or injured. Students with fever, vomiting or diarrhea should stay home until they are symptom-free for 24 hours.

Accidents at School: Anyone involved in or witnessing an accident in which injury or potential injury has occurred should seek the nurse's assistance immediately. If there is any question regarding the condition of an accident victim, those present should leave the person stationary, stay with him or her and send someone to get the nurse.

Medications at School:

ALL MEDICATION SHALL BE SECURELY STORED IN THE MAIN OFFICE OR HEALTH OFFICE.

When possible, please administer medication at home. Medication administration in the school setting is under the direction of the school registered nurse.

Prescription Medication: Students requiring prescription medication administration in the school setting must have a Medication Authorization Form signed by the physician and parent. The medication must be in its original pharmacy issued container.

Over-The-Counter Medication: Comfort medicine (Tylenol, ibuprofen, antacid tablets, calamine lotion, bacitracin, and cough drops may be given if parents have signed the "medicine permission consent" on the Health Screening Questionnaire in the registration packet.

Emergency Medication: Students who need to carry asthma inhalers, epi-pens, or diabetic supplies at school may do so as long as there is a Health Care Action Plan signed by a health care provider on file in the health office. Health Care Plans for Severe Allergies, Diabetes, Asthma, and Seizures are available from the school nurse, or on the district website below.

Immunization Requirements: Colorado State Immunization Requirements for School Enrollment are provided to parents annually. Parents must provide a copy of their child's **immunization record** to the school nurse's office. All scholars must have up-to-date immunizations to attend school. Parents may exempt their child due to medical, religious or personal reasons by signing a form available from the school nurse or on-line. Non-medical (religious/personal) exemptions must be updated annually. This school utilizes the Colorado Immunization Information System (CIIS), a confidential, secure, statewide immunization registry. You may choose to exclude your child's shot information from CIIS at any time. Please contact your school nurse for further information.

Permission for Health Advisory/Need to Know: School nurses develop a Student Health List and/or a Health Care Action Plan from the Health Screening Questionnaire in the registration packet. All

information is confidential and is shared only on a need-to-know basis. Alert your school nurse if you do not want your student's medical information shared with appropriate school personnel.

Permission for Emergency Care: In the event of a medical emergency, the Montezuma-Cortez School Department will render emergency aid and/or transportation to a medical facility as needed. Costs incurred are at the expense of the family. Every effort will be made to contact the family in such a situation. If this practice concerns you, contact the school administrator. Please keep emergency contact information current with the school.

Screenings/Physical Exams: Parents/guardians may opt out of routine, non-emergency screenings provided by the district. Current screenings might include: hearing, vision, dental, lice, height and weight. Contact your school if you do not want your child to participate in these screenings. Parents are encouraged to have physical and dental examinations for their school-aged child before entering school and again before the 4th, 7th and 10th grades. Contact your school nurse if you do not have a health care provider and would like to arrange a physical exam for your child.

Lice: We do not exclude students from school if lice or nits are found. We do educate and support parents as they work to remove lice and nits from their student. Please contact your school nurse if you suspect your student has a lice infestation so we can help. Teach your child to use only their own comb, brush, hair ornaments, hats and coats. Sharing these items is a common way for lice to move from one person to another. For sleep-overs, send your child with their own pillow and sleeping bag.

Accident Insurance: Student accident insurance information forms are available in the front office and should be mailed directly to the insurance company. Any student who misses the initial application period, may apply at any time during the school year. These forms are available in the front office. Students may not bring anything of value (personal gaming devices, iPods, iPads, etc.) to school. **Toys should also be left at home for personal play. The playground offers multiple opportunities for physical engagement. Equipment for games, such as playground balls, are welcome.**

The school will not be held responsible for a scholar's personal property, should it be lost, stolen or damaged and will be held in the office if brought to school.

However, the school will not be held responsible should a cell phone be lost, damaged or stolen. Cell phones must be turned off while at school. Should a cell phone be turned on or used at school, the phone will be confiscated and held for the parent or guardian to be picked up. During state testing all electronic devices, including cell phones, must be turned in to the classroom teacher at the beginning of the day and will be released at the end of the school day.

Retention is recommended on an infrequent basis.

STUDENT RECORDS

All student cumulative records will be kept in the school safe. Parents may request to see their child's records at any time.

STUDENTS RIGHTS AND RESPONSIBILITIES

The constitutional rights of individuals assure the protection of due process of law; therefore, this system of constitutionally and legally sound procedures is developed with regard to the administration of discipline in the Montezuma-Cortez School District.

A student shall be given an opportunity to contest the facts, which may lead to disciplinary action, to contest the appropriateness of the sanction imposed by a disciplinary authority or to allege prejudice or unfairness on the part of the school district employees responsible for a disciplinary action. The following procedure shall govern such grievances:

1. The student and his/her parent or guardian first discusses the problem with the staff member involved.
2. If an acceptable solution cannot be reached, the student and his/her parent or guardian may discuss the problem with the principal of the school, who may involve other individuals as he/she deems necessary.
3. If the matter is not resolved, the student and his/her parent or guardian may appeal the matter to the Assistant Superintendent, who may involve other individuals as he/she deems necessary.
4. If the matter is not resolved, the student and his/her parent or guardian may appeal the matter to the Superintendent who may involve other individuals as he/she deems necessary.
5. If this conference fails to result in a satisfactory solution, the matter may then be appealed through the Superintendent of schools to the Board of Education to be discussed in executive session. The Board of Education is the final authority in all cases. Any hearing before the School Board will observe all the rights of the student and his/her parent or guardian to allow them to present the problem to the Board of Education. Notice of hearing will be given to the pupil.

TARDINESS

Tardiness is reporting to school or to the classroom late. All students arriving to school late must register in the office. **The parents of students who are habitually late to school will be notified and a conference with the principal will be mandatory.** Parents have the responsibility to see that their children meet the bus and arrive at school on time.

TELEPHONE USE BY STUDENTS

The school telephone is for business purposes therefore we allow students to use the telephone on a very strict and limited basis. (See Personal Property section for information regarding student Cell Phone usage).

TRANSFERRING TO ANOTHER SCHOOL

Students moving out of the school district must follow a check-out procedure on their last day of attendance to be cleared through the office. All books and materials must be returned to their teacher and to the librarian. Your child's permanent records will be sent via inter-school mail if he/she is transferring to another school within our district. If you are moving out of the school district, we will give you a transfer sheet that can be hand carried to the receiving school and the permanent records will be mailed upon request from the receiving school.

TRUANCY

If a student is absent without a signed parental excuse or if the student leaves school or a class without permission of the teacher or administrator in charge, the student shall be considered truant. **An "habitual truant" shall be defined as a student of compulsory attendance age who has FOUR unexcused absences from school in any one month or TEN unexcused absences during any school year.** Absences due to suspension or expulsion shall not be counted in the total unexcused absences.
