Dear *(Injured Worker)*:

At **Montezuma-Cortez School District Re-1** we are dedicated to providing our employees with the highest level of care in the event of a work-related injury or illness. We have filed a claim with our workers compensation insurance carrier, CopperPoint. A representative from CopperPoint will be contacting you with a claim number and any additional information very soon. In the meantime, you should see one of the medical providers we have selected to treat our employees when a work-related injury/illness occurs. These medical providers specialize in on the job injuries/illnesses and we want that high level of care for you. Our providers are:

<b>Southwest Memorial Walk In Clinic (Initial Visit)</b> <b>1413 N Mildred Road</b> <b>Cortez, CO 81321</b> <b>970-564-1037</b>
--

<b>Southwest Memorial Primary Care (Follow-up)</b> <b>1311 A N. Mildred Road, Suite D</b> <b>Cortez, CO 81321</b> <b>970-565-8556</b>
--

In the unfortunate event of a life-or-limb-threatening emergency, you will certainly be sent to the nearest emergency medical facility. However, one of the medical providers designated above **must** provide all follow-up care.

For non-emergency injuries, please select one of the providers and see them as soon as possible. After your first appointment, please follow up with me, so we can review your medical status and work capabilities together.

If you have any questions, please contact me. Our goal is to ensure that you receive the highest level of care and recover quickly and return to work as soon as possible.
