

KMS Announcements

Thursday, September 17, 2020

- A friendly reminder from the nurse's office: All students at Knoxville schools have an opportunity to eat breakfast and lunch every day and it's FREE for all students! Eating breakfast and lunch gives you energy for your day and helps prevent headaches and stomach aches, common reasons kids come to the nurse's office. Do your part to stay healthy and well: eat breakfast and lunch every day!
- GSA today will end at 4pm instead of 4:20.
- Our Panther PBIS Focus for the week is on hallway expectations. Remember to walk 2 by 2 or single file along the right side of the hallway. You should stop at your lockers only when going to elective classes or lunch. We have been doing a great job this year avoiding gatherings in the halls- keep it up!
- We will have a PBIS raffle on Friday- up for grabs will be an iPad keyboard, a Casey's gift card, a Panther headband, and a pack of gum.
- School pictures this fall have been postponed. A rescheduled date is to be determined.
- Students interested in taking drivers education this fall will find a information/sign up sheet at the Communication Corner. Sessions begin Wednesday, October 21.

Athletics

Lunch – spaghetti with meat sauce or turkey sub, mini garlic toast, garden salad and assorted fresh fruit.

Birthday – none today – August 11 – Ava Karr, Kyler Hynick, and Mr. Uitermarkt
