

- Our Panther Focus this week is on time awareness. Being prompt is an important skill. If you are late, you often are making others wait on you. This can show them a variety of things, including disrespect or that you do not value their time. Be aware of time and deadlines, set goals and timelines for yourself, and make time a priority! Small ways to do this are arriving to class on time, turning in assignments on time, and being places you say you will be at the time you say you will be there.
- We will have a PBIS raffle on Friday. Up for grabs will be a portable charger, a Casey's card, a Walmart card, and a pack of gum.
- GSA Club will meet in person and virtually at 3:30 on Thursday. A guest speaker from Iowa Safe Schools will be joining virtually. If you have any questions please email Mrs. Sass. See you there!
- Mark your calendar for No School on Monday, January 18. It is a teacher in-service day.
- Quarter 3 will begin next week on Tuesday, January 19. It will be day 2. Please take time to pull up your second semester schedule on JMC to check which of your classes switch for quarter 3. Generally it will be Art or Life Skills and your quarter explore class. If you have questions or see errors ask at the office.
- If you are interested in taking Driver Education – check out the Communication Corner for registration information. Classes begin in February
