

- The yearbooks have arrived! Great Job by our KMS Yearbook classes and Ms. Price to create a wonderful book of memories for us to have. Very classy. We have some extra copies, but not many! If you would like to purchase one of the extras, please bring \$32.00 cash or check to the office. If you were absent on Friday and purchased a yearbook you can pick it up in the office.
- Students who missed an ISASP test last week, you will be making up those tests with Mrs. Sass this week. Please come to school with a charged iPad.
- Due to a busy schedule last week, especially on Friday, we did not complete our PBIS raffle. We will have a PBIS raffle this Friday, and we will shift last week's prizes to this week. Up for grabs will be a bluetooth speaker, a wireless charger, 3 Casey's gift cards, and 2 Walmart gift cards. We will change it up this week and have 2 guaranteed winners from each grade level.
