Explanation: The district experienced a three week closure due to the Obenchain Wildfire in September 2020. This delayed the start of school and the September school board meeting was cancelled. District administrative personnel were unable to complete the Assurances Report before the October 12, 2020, school board meeting. Therefore, the district did not meet the timeline for reporting to the district school board “in a public meeting by November, 1, 2020.” The written version of the Report was posted on the District Website by November 1.

Proposed Corrective Action: The Assurances Report to the Community will be presented to and received by the school board on Monday, November 9, 2020. Thereafter and by November 15, 2020, the online Division 22 Assurances Submission Form will be completed and submitted by the district superintendent. Minutes from the meeting will be provided to ODE shortly thereafter. All reporting requirements will be completed by the final deadline of November 15, 2020.
