Re: Student Meal Program at Area 30 Career Center

We are excited to share that the USDA and the IDOE have approved all Area 30 students to be eligible for **free** lunch meals through May 26, 2021 or until the funds are depleted. This means that every student will now receive free meals at Area 30 Career Center regardless of income status.

This program was put in place to help families and our food program due to the financial loss from COVID-19 and is a continuation of the summer meals program. The basic school meal tray will be free, but any extra food, snacks, or drinks will be an additional cost. Money that is in your child's account will remain and any outstanding balances still need to be paid.

Sincerely,

Lora Busch
