

BOARD OF EDUCATION, School District 148, Cook County

Our mission is to challenge and support all students to reach their highest level of performance.

June 26, 2020

Project LEARN (Leading through Equity and Redesign with New Norms)

The transition of reopening schools in the State of Illinois was shared on June 23, 2020 from the Illinois State Board of Education. In an effort to prepare for the beginning of the 2020-21 academic school year, School District 148 has formed “Project LEARN (Leading through Equity and Redesign with New Norms)” to be at the forefront to assist with the planning and implementation of the educational plan of action for the communities of District 148 after the pandemic. The vision of Project LEARN is to create a seamless return to school/hybrid model/e- learning model for parents, students and staff. Project LEARN is comprised of District personnel that are highly engaged in the daily activities of District 148 students during a normal school day. Updates on the progression of Project LEARN meetings will be shared on the District’s communication platforms (www.district148.net, Facebook, Instagram, LinkedIn and Twitter) to keep you informed as we prepare to open doors to receive students for the 2020-21 school year.

If at any time you have any questions or would like to discuss Project LEARN in more detail, please do not hesitate to contact me at NOHELTYK@DISTRICT148.NET or at 708.878.5206.

Sincerely,

Dr. Kevin J. Nohelty
Superintendent of Schools
